**MOTION FOR PARTIAL SUMMARY
JUDGMENT**

Pursuant to Fed. R. Civ. P. 56, Fed. R. Bankr. P. 7056, and Local Rule 7056-1, David J. Richards, LLC d/b/a Western US Mineral Investors, LLC (“WUMI”) moves for partial summary

judgment. WUMI asks the Court to dismiss, with prejudice, Counts II (recharacterization of WUMI loan) and IV (breach of contract) of CS Mining's Complaint.

INTRODUCTION

After acquiring copper mining assets in Milford, Utah, CS Mining initiated a two-part plan to operate and expand its mining operation. To execute its plan, CS Mining secured loans from several lenders, including WUMI and Noble Americas Corp., ("Noble"). In a series of draws, CS Mining first borrowed approximately \$20.5 million from WUMI. In exchange, WUMI obtained a senior lien over substantially all of CS Mining's assets. Noble subsequently agreed to loan an additional \$30 million to CS Mining, paying \$15 million dollars initially and agreeing to provide the remaining funds when CS Mining raised matching equity financing. In connection with Noble's loan, the parties entered into an Intercreditor Agreement by which WUMI agreed to subordinate its liens with respect to the Phase II mining assets while retaining a first position with respect to Phase I assets. In addition to the subordination provisions, the Intercreditor Agreement includes a conversion clause that would have required WUMI to convert its remaining lien interests to equity, if certain conditions precedent were met. But the requisite conditions were not met.

In particular, the conversion clause applies only if there are no "Events of Default" under CS Mining's loan agreement with Noble and Noble's successor, Waterloo Street Limited ("Waterloo"), or in connection with full payment of the \$30 million loaned by Noble/Waterloo. It is undisputed that multiple Events of Default occurred, and CS Mining, Noble, and Waterloo have explicitly recognized as much. Yet CS Mining now asks this court to extinguish WUMI's rights as a creditor by invoking the conversion clause, based on a purported waiver of default by

Waterloo. This waiver, however, cannot alter the fact that Events of Default existed. Even if Waterloo waived its enforcement rights stemming from the undisputed Events of Default, the Events of Default occurred. Because multiple Events of Default indisputably occurred in this case, CS Mining cannot invoke the conversion clause as a basis for its claims against WUMI. Summary judgment should therefore be granted with respect to any claims based on this provision.

Alternatively, the court should grant summary judgment based on CS Mining's failure to fulfill its contractual obligations owed to WUMI. Perhaps most relevant here, CS Mining and WUMI agreed that CS Mining would provide notice to WUMI before drawing down the full amount of the Noble/Waterloo loan. CS Mining breached this agreement and drew down the loan in an effort to implicate the conversion clause and extinguish WUMI's lien rights. With this breach, CS Mining cannot establish a necessary element of its breach of contract claim—the element requiring proof that it fulfilled its own contractual obligations.

STATEMENT OF ELEMENTS AND UNDISPUTED MATERIAL FACTS

In Count II of its Complaint, CS Mining “seeks an order recharacterizing the amounts allegedly due and owing to WUMI as equity contributions.” Compl. ¶ 104. To analyze these claims, the court must apply a multi-factor test to “distinguish true debt from camouflaged equity.” *In re Hedged-Invs. Assocs., Inc.*, 380 F.3d 1292, 1298 (10th Cir. 2004). In the context of these factors, CS Mining alleges four grounds for recharacterization. *See* Compl. ¶¶ 98-101. For purposes of this motion, WUMI seeks summary judgment as to one of the factors or grounds identified by CS Mining in its complaint. In particular, CS Mining alleges that WUMI was required to convert its debt to equity under the terms of the Intercreditor Agreement. *See* Compl.

¶ 101. The undisputed facts demonstrate that WUMI had no obligation to convert its debt to equity under that agreement.

In Count IV, CS Mining similarly asserts WUMI breached the Intercreditor Agreement by failing to convert its loan to equity. To establish this breach of contract claim, CS Mining must prove (1) a contract existed between CS Mining and WUMI; (2) CS Mining performed under the contract; (3) WUMI breached the contract; and (4) damages. *See Global Fitness Holdings, LLC v. Fed. Recovery Acceptance, Inc.*, 127 F. Supp. 3d 1214, 1226 (D. Utah. 2015). Because CS Mining cannot establish either the second or the third elements, the Court should grant summary judgment on Count IV.

The following undisputed facts support summary judgment:

1. On August 10, 2012, CS Mining and WUMI entered into the WUMI Loan Agreement, which “gave WUMI a senior lien over substantially all of CS Mining’s assets.” Compl. ¶¶ 41–42, Dkt. No. 1; WUMI Loan Agreement, attached as Ex. 1.
2. WUMI initially loaned \$1 million to CS Mining and loaned several million dollars more to CS Mining over the next two years. As CS Mining describes, “From 2012 through 2014, WUMI lent CS Mining a total of \$20.5 million in a series of draws as additional funding was requested and approved by the Board of CS Mining.” Compl. ¶ 44.
3. The ongoing draws were memorialized in a series of Amendments to the WUMI Loan Agreement. *Id.* ¶¶ 45–52.
4. On August 12, 2014, Noble agreed to loan CS Mining an additional \$30 million, paying \$15 million dollars initially and agreeing to pay the remaining \$15 million when CS Mining raised matching equity financing. Noble/Waterloo Agreement, attached as Ex. 2.

5. The same day, CS Mining, WUMI, and Noble entered into a contract titled the Intercreditor Agreement, in which WUMI agreed to subordinate its lien interests in the Phase II assets held by CS Mining at its Milford mine. WUMI, however, retained a first priority lien in CS Mining's Phase I assets. Intercreditor Agreement at 2–3, attached as Ex. 3.

6. Paragraph 5.2 of the Intercreditor Agreement provides,

5.2 Mandatory Conversion In the event that Project Completion Date (as defined in the Noble Loan Agreement) occurs or Noble loans the Borrower the Full Facility Amount pursuant to the Noble Loan Agreement, and there are no existing defaults under the Noble Loan Agreement or that occur in connection with lending the Full Facility Amount, WUMI hereby agrees to promptly (but in any event within 5 business days) convert the WUMI Obligations in full into the equity In connection with such conversion, the WUMI obligations will be extinguished all Liens held by WUMI on Collateral shall be released.

7. On March 10, 2015, WUMI and CS Mining agreed to the Tenth Amendment to the WUMI Loan Agreement, which states that “[p]rior to drawing down more than \$29,750,000 of the loan facility pursuant to the [Noble/Waterloo Loan Agreement], dated August 12, 2014, [CS Mining] shall notify [WUMI] . . . and obtain [WUMI’s] consent and approval from the following, not to be unreasonable withheld.” Tenth Amendment to Loan & Security Agreement, attached as Ex. 4.

8. As of July 8, 2015, Noble had paid \$29,750,000 of the \$30 million available under the Noble/Waterloo Loan Agreement. Compl. ¶ 66.

9. On November 10, 2015, Noble sent a letter to CS Mining stating, “We hereby notify you that the failure by [CS Mining] to pay interest in cash within seven (7) days of the date when due pursuant to Section 2.07 of the [Noble/Waterloo Loan Agreement] constitutes

Events of Default under the Agreement. Letter from Noble to CS Mining (Nov. 10, 2015), attached as Ex. 5; *see also* Compl. ¶ 68; Answer ¶ 68.

10. On December 30, 2015, Noble sent another letter to CS Mining stating, “You are aware that Events of Default have occurred and as of this date are continuing under the Agreement.” Letter from Noble to CS Mining (Dec. 30, 2015), attached as Ex. 6; *see also* Compl. ¶ 69; Answer ¶ 69.

11. On December 31, 2015, Waterloo acquired the Noble Loan. Compl. ¶ 70.

12. In a January 1, 2016 announcement to its shareholders regarding the acquisition of the Noble/Waterloo Loan Agreement, Waterloo’s parent company acknowledged that CS Mining was “currently in default under the existing loan agreements.” Joint Announcement at 2, attached as Ex. 7.

13. On January 7, 2016, Waterloo sent a letter to CS Mining. The letter stated that it would “serve as notice that one of more Events of Default have occurred and are continuing, as [CS Mining] was previously notified by [Noble] in its letters of November 10, 2015 and December 30, 2015.” Letter from Waterloo to CS Mining (Jan. 7, 2016), attached as Ex. 8.

14. On January 13, 2016, Waterloo’s attorney sent a letter to WUMI demanding that WUMI convert its debt to equity. Letter from Stuart A. Shanus to WUMI (Jan. 13, 2016), attached as Ex. 9.

15. WUMI responded by explaining that several Events of Default had occurred, and as a result, WUMI was not required to convert its loans to equity. Letter from WUMI to Waterloo and CS Mining (Jan. 15, 2016), attached as Ex. 10.

16. On February 2, 2016, WUMI sent another letter to Waterloo again explaining that Events of Default had occurred under the WUMI Loan Agreement. Letter from WUMI to Waterloo and CS Mining (Feb. 2, 2016), attached as Ex. 11; *see also* Compl. ¶ 71; Answer ¶ 71.

17. The next day, “[o]n February 3, 2016, CS Mining drew down the last installment under the Noble/Waterloo Loan Agreement, bringing the total amount loaned to CS Mining under the Noble/Waterloo Agreement to \$30 million.” Compl. ¶ 72. CS Mining did not provide notice to WUMI of the final draw from the Noble/Waterloo Loan. Declaration of Robert Lautz, attached as Ex. 12.

18. Also on February 3, 2016, Waterloo signed a waiver acknowledging that it had “been informed that certain Events of Default have occurred and are continuing” but purporting to waive any defaults that existed as of that date. Waiver, attached as Ex. 13.

19. On February 17, 2017, CS Mining filed this adversary proceeding, alleging that “[a]s of February 4, 2016, Noble/Waterloo had fulfilled the obligation to fully fund \$30 million, and no defaults existed as described in Section 8.01 in the Noble/Waterloo Loan Agreement, as any events of default that may have existed had been waived by Waterloo. . . . Thus, under the Intercreditor Agreement, WUMI was obligated to convert its debt into equity and release its remaining liens by no later than February 11, 2016. . . . Despite being obligated to convert its loan into SMP equity and to take steps to release its liens, WUMI has refused to do so.” Compl. ¶¶ 74–76.

20. But, in discovery in this case, Noble admitted it sent letters to CS Mining dated November 10, and December 30, 2015, in which Noble informed CS Mining that one or more Events of Default had occurred under the Noble/Waterloo Loan Agreement. Noble Americas

Corp.’s Resps. To WUMI’s 4/7/17 Reqs. for Admission & Interrogs. at p. 4, attached as Ex. 14. Noble further admits that as of December 30, 2015, one more Events of Default had in fact occurred under the Noble/Waterloo Loan Agreement. *Id.*

21. Waterloo’s Rule 30(b)(6) witness similarly admitted that “[t]here was a default” with respect to the Noble/Waterloo Loan prior to February 3, 2016. Norohna Dep. at 139:11–140:3, cited portions of rough draft transcript attached as Ex. 15. Waterloo’s deponent further confirmed Waterloo’s position that the Noble/Waterloo Loan continues to be in default. *Id.* at 140:20–142:7.

ARGUMENT

I. THE COURT SHOULD GRANT SUMMARY JUDGMENT BECAUSE THE EXISTENCE OF DEFAULTS UNDER THE WATERLOO LOAN MEAN WUMI IS NOT REQUIRED TO CONVERT ITS DEBT TO EQUITY.

A. The Absence of Default under the Waterloo Loan Is a Condition Precedent for WUMI’s Obligation to Convert.

In Counts II and IV of this adversary proceeding, CS Mining asserts that WUMI must convert its loan to equity pursuant to Section 5.2 of the Intercreditor Agreement. In Count II, CS Mining describes conversion as “mandatory” and seeks recharacterization of its loan based on WUMI’s refusal to convert. (Compl. ¶ 101.) In its breach of contract claim asserted in Count IV, CS Mining alleges Noble/Waterloo fulfilled the obligation under the Intercreditor Agreement to fully fund \$30 million, and any default by CS Mining had been waived by Waterloo. (*Id.* ¶ 115.) Based on the completed \$30 million payment from Noble/Waterloo, CS Mining again asserts, “WUMI was obligated to convert its debt into equity and release its remaining liens.” (*Id.* ¶ 116.) These allegations, however, overlook the failure of a condition precedent set forth in the conversion provision itself.

Under Section 5.2 of the Intercreditor Agreement, WUMI must convert CS Mining's debt into an equity interest only if "the Project Completion Date (as defined in the Noble Loan Agreement) occurs or Noble [succeeded here by Waterloo] loans the Borrower the Full Facility Amount pursuant to the Noble Loan Agreement, *and there are no existing defaults under the Noble Loan Agreement or that occur in connection with lending the Full Facility Amount . . .*" (Intercreditor Agreement at 4, Ex. 3 (emphasis added).) Thus, even if Noble/Waterloo loaned the full amount under the Noble/Waterloo Loan Agreement, the payment alone does not trigger the conversion clause. Rather, under the plain language of Section 5.2, if a single default exists under either the Noble/Waterloo Loan Agreement or in connection with payment of the \$30 million dollars by Noble/Waterloo, WUMI is not required to convert its interest to equity. And the undisputed facts establish that multiple defaults existed, each of which eliminated WUMI's conversion obligation.

B. It Is Undisputed that the Waterloo Loan Was in Default.

The Noble/Waterloo Loan Agreement defines "Default" as "any event or condition that constitutes an Event of Default or that, with the giving of any notice, the passage of time, or both, would be an Event of Default."¹ (Noble/Waterloo Loan Agreement at 4, Ex. 2.) It is undisputed that CS committed a series of defaults under the terms of the Noble/Waterloo Loan Agreement. Noble first provided written notice of an Event of Default on November 10, 2015. (Letter from Noble to CS Mining (Nov. 10, 2015), Ex. 5; *see also* Compl. ¶ 68; Answer ¶ 68.)

¹ The agreement also provides a list of several specific "Events of Default." (Noble/Waterloo Loan Agreement at 42–46, Ex. 2.) The circumstances surrounding each of CS Mining's defaults are not material because it is undisputed that "Events of Default" occurred, which is the relevant inquiry for purposes of this motion.

Then, on December 30, 2015, Noble sent another letter stating that Events of Default had occurred and were continuing as of that date. (Letter from Noble to CS Mining (Dec. 30, 2015), Ex. 6; *see also* Compl. ¶ 69; Answer ¶ 69.) After Waterloo acquired the Noble Loan, Waterloo's parent company sent an announcement to shareholders again acknowledging CS Mining was "currently in default under the existing loan agreements." (Joint Announcement at 2, Ex. 7.) The next week, Waterloo itself sent a letter to CS Mining, serving "as notice that one of more Events of Default have occurred and are continuing." (Letter from Waterloo to CS Mining (Jan. 7, 2016), Ex. 8.) Even after CS Mining filed this adversary proceeding, Noble and Waterloo again confirmed that Events of Default had occurred. In response to WUMI's requests for admission, Noble admitted (1) it sent letters to CS Mining stating that Events of Default had occurred, and (2) as of December 30, 2015, one more Events of Default had in fact occurred. (Noble Americas Corp.'s Resps. to WUMI's 4/7/17 Reqs. for Admission & Interrogs. at p. 4, Ex. 14.) Waterloo's Rule 30(b)(6) witness also admitted "[t]here was a default" with respect to the Noble/Waterloo Loan prior to February 3, 2016, the date it signed the waiver form, and the default continues to the present. (Norohna Dep. at 139:11–142:7, Ex. 15.)

C. It Is Impossible to "Waive" the Fact that Defaults Existed.

CS Mining does not dispute these unequivocal admissions by both Noble and Waterloo that Events of Default occurred and continue to occur under the Noble/Waterloo Loan Agreement. Rather, CS Mining maintains that Waterloo's waiver effectively eliminated any defaults as of February 3, 2016. Waterloo first demanded that WUMI convert its loan to equity upon acquiring the Noble Loan. And when WUMI responded on February 2, 2016, by confirming that Events of Default had occurred which eliminated the requirement to convert,

Waterloo signed a waiver the next day purporting to waive any and all Events of Default that may have existed as of that date. CS Mining maintains that with this signed waiver, “no defaults existed as described in Section 8.01 in the Noble/Waterloo Loan Agreement, as any events of default that may have existed had been waived by Waterloo.” (Compl. ¶ 115.)

These allegations reflect a fundamental misunderstanding of the concept of waiver. “Waiver is the voluntary relinquishment or surrender of some known *right*. Its constituent elements are an existing *right*; knowledge of such *right*; and an intention to relinquish or surrender it.” *Yates v. Am. Republics Corp.*, 163 F.2d 178, 179 (10th Cir. 1947) (emphases added). Thus, only *rights* may be waived. And a default, by definition, is not a right. A default is an “omission or failure to perform a contractual obligation.” Black’s Law Dictionary 507 (10th ed. 2009). In the Noble/Waterloo Loan Agreement, “default” is more specifically defined as “any event or condition that constitutes an Event of Default,” with “Event of Default” being further identified as including any one of several enumerated events that would constitute a failure to perform under the contract. (Noble/Waterloo Loan Agreement at 4, 42–46, Ex. 2.)

As explained above, it is undisputed that certain events or conditions have occurred that constitute Events of Default by CS Mining under the Noble/Waterloo Loan Agreement. For example, on November 10, 2015, Noble first informed CS Mining that an Event of Default had occurred, based on CS Mining’s failure to make interest payments when due. (Letter from Noble to CS Mining (Nov. 10, 2015), Ex. 5.) The occurrence of this event and all other Events of Default triggered Waterloo’s enforcement rights against CS Mining. While Waterloo may choose to waive those rights, any such waiver cannot change the existence of the underlying defaults. Using the nonpayment example, Waterloo may waive its right to collect the amounts owed, but

the fact that CS Mining failed to pay—i.e., the Event of Default—still exists. An Event of Default cannot disappear merely because Waterloo waives its rights related to that default.

A simple hypothetical demonstrates that a litigant can waive a *right*, but not the existence of a *past event* or *fact*. Assume an automobile passenger, “P,” sues two different drivers, “D1” and “D2,” for injuries sustained in an automobile accident at an intersection. A key issue in apportioning fault to D1 and D2 is whether the light was red or green. P settles with D1, and stipulates with D1 that the light was red at the time of the accident. In doing so, P may waive her right to sue D1 based on a theory that the light was green, but it cannot change the fact that the light may in fact have been green. Whether the light was red or green is a fact; it is not a right that can be waived.

Similarly, in this case, all parties agree that several Events of Default existed under the Noble/Waterloo Loan. This is an undisputed fact. Waterloo’s attempt to waive those defaults does not change the fact that those defaults existed. At most, such waiver could only waive Waterloo’s rights as a result of those defaults. But it did not waive WUMI’s rights, and it certainly did not change the fact that defaults existed and continue to exist.

Courts have confirmed this distinction, recognizing both explicitly and implicitly that facts or events may not be waived. *See, e.g., Republic of Iraq v. Beaty*, 556 U.S. 848, 862 (2009) (“Respondent Beaty objects that the President cannot waive a *fact*. But neither can Congress legislate a fact.”); *Estate of Parsons v. Palestinian Auth.*, 651 F.3d 118, 143–44 (D.C. Cir. 2011) (citing *Beaty* as “assuming the correctness of the proposition that ‘the President cannot waive a fact’” and explaining that even if legal arguments have been waived or forfeited, a court may consider the underlying facts); *Mattingly v. Integrus Health, Inc.*, No. CIV-08-1208-C, 2009 WL

3923625, at *2 (W.D. Okl. Nov. 17, 2009) (unpublished) (“[U]nder the clear unambiguous language of the retirement plan, Defendant is the beneficiary and the waiver cannot alter that fact.”); *Commonwealth v. Wright*, 99 A.3d 565, 576 (Pa. 2014) (“An appellant cannot waive facts. Issues are waived, not record evidence.”).

Cases suggesting to the contrary either involve circumstances significantly different than those present here, or the courts and parties in such cases use imprecise language without addressing the issue raised in this motion. For example, in *Citibank, N.A. v. United Subcontractors, Inc.*, a proposed amendment to the relevant contract purported to “waive the default” caused by a borrower’s failure to comply with financial covenants in the contract. 581 F. Supp. 2d 640, 643 (S.D.N.Y. 2008). But the decision does not address whether the above language would have actually waived the existence of default, because the court concluded the contract was terminated before the amendment was executed. *Id.* at 644–45; *see also In re Polaroid Corp. Sec. Litig.*, 465 F. Supp. 2d 232, 238 (S.D.N.Y. 2006) (stating that Polaroid “need[ed] to obtain temporary waivers of defaults on financial covenants contained in important short-term credit agreements” without discussing the scope or effect of such waivers). In *Lasalle Bank Nat’l Ass’n, v. Citicorp Real Estate, Inc.*, the court dismissed a breach of contract claim where the contract allowed for waiver of “an ‘existing’ breach of default.” No. 01 CIV. 4389(AGS), 2002 WL 181703, at *6 (S.D.N.Y. 2002) (unpublished). Although the court and parties stated the plaintiff had “waived” a default, *Lasalle* does not support the proposition that a party’s waiver removes the existence of a default event. In *Lasalle*, the plaintiff had a contractual ability to waive or defer payments from the defendant, and the plaintiff granted a waiver of three payments prior to the time the payments were due. Thus, the plaintiff did not waive a default of

the contract; the plaintiff waived its right to collect three payments that the defendant would owe in the future. Accordingly, when the defendant later failed to make the payments that otherwise would have been due, the plaintiff could not assert breach of contract because it had waived its rights to such a claim. *Id.*

WUMI has not found a case or any other legal authority supporting the proposition that a party may sign a waiver and effectively eliminate the existence of underlying facts that constitute an event of default. To the contrary, as a matter of law, although a party may waive rights related to a default, the default itself does not disappear as a result of the waiver. Here, Waterloo purported to waive “any and all Events of Default” existing as of February 3, 2016, but Waterloo could waive only its *rights* related to those Events of Default; it is impossible for Waterloo to waive the existence of a fact or event constituting default, particularly where Waterloo and Noble both have repeatedly acknowledged that Events of Default occurred. And with the undisputed Events of Default, WUMI has no duty to convert its loan to equity.

Because CS Mining cannot establish WUMI’s obligation to convert, CS Mining also cannot rely on WUMI’s failure to convert as a factor weighing in favor of the recharacterization claim. Similarly, CS Mining cannot prove WUMI breached the Intercreditor Agreement by refusing to convert its loan to equity. Summary judgment is therefore appropriate with respect to the allegations related to conversion in Count II and based on CS Mining’s failure to prove a necessary element of its breach of contract action in Count IV.

D. Waterloo’s Purported Waiver Was an Ineffective Sham.

Waterloo’s purported waiver of defaults was ineffective to waive WUMI’s rights. The waiver language reads, “[T]he Lender [Waterloo] hereby waives any and all Events of Default

that may exist as of the date hereof . . .” *See* Ex. 13. But this language is then qualified as follows:

[P]rovided, however, that . . . in no event shall this waiver be deemed to be a waiver of enforcement of any of the Lender’s rights or remedies under the Loan Agreement and the other Loan Documents . . ., and in no event shall this waiver be deemed to be a cancellation or forgiveness of the indebtedness due but unpaid by the Borrower to the Lender as of the date hereof . . . Except as expressly provided herein, the Lender hereby reserves and preserves all of its rights and remedies against the Borrower . . .

This waiver shall be effective only in this specific instance and for the specific purposes set forth herein and does not allow for any other or further departure from the terms and conditions of the Loan Agreement, or any other Loan Document, which terms and conditions shall remain in full force and effect.

Ex. 13.

In other words, “We are notifying you that we waive all Events of Default, but we’re really just kidding. We reserve everything.” This is not effective to waive existing defaults, and it is certainly not effective to waive WUMI’s rights that arose from the facts of default. This was nothing more than a futile attempt by Waterloo to force WUMI to convert, contrary to the agreed-upon terms and conditions of Section 5.2 of the Intercreditor Agreement.

Waterloo cannot seriously argue otherwise. If Waterloo’s waiver was a sincere and genuine waiver of known rights, then Waterloo has forfeited its rights to repayment of its loan. One of the defaults Waterloo’s predecessor identified in its November 10, 2015 was non-payment. *See* Ex. 5. If Waterloo is sincere in its attempted waiver, then it must be forced to acknowledge it has waived its right to payment under the loan. Anything short of this would not be a real waiver.

In reality, Waterloo’s purported waiver was an ineffective sham attempt to “waive” defaults—without really waiving them—in order to manufacture an argument that WUMI must

convert. The waiver was not a genuine waiver. It did not waive WUMI's rights. And it did not change past or existing facts. The Court should grant summary judgment on these grounds.

II. THE COURT SHOULD GRANT SUMMARY JUDGMENT BECAUSE CS MINING HAS NOT PERFORMED ITS CONTRACTUAL OBLIGATIONS.

In addition, the Court may grant summary judgment on CS Mining's breach of contract claim because CS Mining did not perform its obligations under its contracts with WUMI. To support this element, CS Mining alleges only that *Waterloo* fulfilled its obligations under the Intercreditor Agreement. CS Mining does not allege that it fulfilled its own contractual obligations to WUMI. And the undisputed evidence shows to the contrary: It is undisputed that CS Mining failed to meet its obligations under the WUMI Loan Agreement. *See* Ex. 12. In addition, in Section 2 of the Tenth Amendment to the WUMI Loan Agreement, CS Mining agreed it would notify WUMI and obtain WUMI's consent prior to drawing down more than \$29,750,000 of the loan from Waterloo. (Tenth Amendment to Loan and Security Agreement, Ex. 4.) CS Mining did neither. CS Mining instead drew down the full amount of the Noble/Waterloo Loan without notifying WUMI and then attempted to use this breach as a means to compel WUMI to convert its loan to equity. Thus, rather than comply with the Intercreditor Agreement and its other contracts with WUMI, CS Mining breached its contractual obligations in nearly every material way. With its own contractual breaches, CS Mining cannot assert a breach of contract claim against WUMI.

CONCLUSION

As a matter of law, CS Mining cannot invoke Section 5.2 of the Intercreditor Agreement as the basis for its claims because a necessary condition precedent has not been satisfied where Events of Default indisputably existed and continue to exist. Waterloo's waiver of its contractual

rights does not alter the fact that Events of Default occurred. And with these undisputed Events of Default, WUMI was never and still is not obligated to convert its debt into equity.

Accordingly, summary judgment should be granted with respect to any of CS Mining's claims relying on the conversion clause, including Count II and IV. Summary judgment may also be granted as to Count IV based on the undisputed evidence showing CS Mining did not fulfill its own contractual obligations to WUMI.

Such notification to Lender shall constitute a grant of a security interest in the commercial tort claim relating to the Collateral and all proceeds thereof to Lender, and Borrower shall execute and deliver all such documents and take all such actions as Lender shall request in connection therewith.

(d) None of the Collateral now is or will be affixed to any real property, except in the case of: (i) the Collateral listed in Exhibit B to the Schedule to Loan and Security Agreement, which may only be affixed, if necessary, to land held in fee simple or patented mining claims owned by Borrower, and for which a first priority fixture filing for the benefit of Lender will be filed, such that Lender shall retain its first priority Lien on such Collateral; or (ii) following notice and consent of Lender and filing of a valid fixture filing covering the affixed Collateral for the benefit of Lender, such that Lender shall retain its first priority Lien on such Collateral.

3.2.5. Litigation Cooperation. Should any third-party suit or proceeding be instituted by or against Lender in connection herewith or that relates to Borrower and could be reasonably anticipated to cause a Material Adverse Change, Borrower shall, without expense to Lender, make reasonably available Borrower and its officers, employees and agents and Borrower's books and records, to the extent that Lender may deem them reasonably necessary in order to prosecute or defend any such suit or proceeding.

3.2.6 Notification of Changes. Borrower will promptly notify Lender in writing of (i) any change in its officers or directors, and (ii) any Material Adverse Change.

3.2.7. Certain Items. Lender may cease making any disbursements of the Loan hereunder during the Cure Period (as defined below), and thereafter if an Event of Default has occurred and is continuing.

Upon providing or receiving notice of any Event of Default hereunder, Borrower shall have a period (the "Cure Period") equal to thirty (30) days, or if such Event of Default is not capable of cure within thirty (30) days, such longer period as is necessary to cure such Event of Default, provided that the latter case of extension beyond the 30-day cure period shall only continue to apply if (i) Borrower continues to diligently pursue the cure of such Event of Default and (ii) the continuance of such Event of Default has not caused, and would not be reasonably be anticipated to cause, a Material Adverse Change due to such continuance beyond a 30-day Cure Period; *provided, however*, that (a) the Borrower shall not be provided a Cure Period for Events of Default that are not capable for cure or remedy, through the payment of damages or otherwise, and (b) if a shorter time period than the foregoing Cure Period is specified in this Agreement, such shorter period shall control as the required time period for cure of the Event of Default.

7.2 Remedies. Upon the occurrence and during the continuance of any Event of Default, and at any time thereafter when such Event of Default is not cured, Lender, at its option, and without notice or demand of any kind (all of which are hereby expressly waived by Borrower), may cease extending credit to Borrower under this Agreement or any other Loan Document. Upon the occurrence and during the continuance of any Event of Default, and the expiration of the Cure Period, Lender, at its option, may do any one or more of the following: (a) Accelerate and declare all or any part of the Obligations to be immediately due, payable, and performable, notwithstanding any deferred or installment payments allowed by any instrument or agreement evidencing or relating to any Obligation; (b) Take possession of any or all of the Collateral wherever it may be found, and for that purpose Borrower hereby authorizes Lender without judicial process to enter onto any of Borrower's premises without interference to search for, take possession of, keep, store, or remove any of the Collateral, and remain on the premises or cause a custodian to remain on the premises in exclusive control thereof, without charge for so long as Lender deems it necessary, in its good faith business judgment, in order to complete the enforcement of its rights under this Agreement or any other agreement; provided, however, that should Lender seek to take possession of any of the Collateral by court process, Borrower hereby irrevocably waives: (i) any bond and any surety or security relating thereto required by any statute, court rule or otherwise as an incident to such possession; (ii) any demand for possession prior to the commencement of any suit or action to recover possession thereof, other than notice hereunder; and (iii) any

requirement that Lender retain possession of, and not dispose of, any such Collateral until after trial or final judgment; (c) Require Borrower to assemble any or all of the Collateral and make it available to Lender at places designated by Lender which are reasonably convenient to Lender and Borrower, and to remove the Collateral to such locations as Lender may deem advisable; (d) Complete reasonable processing, manufacturing or repair of any Collateral prior to a disposition thereof and, for such purpose and for the purpose of removal, Lender shall have the right to use Borrower's premises, vehicles, hoists, lifts, cranes, and other Equipment and all other property without charge; and (e) Sell, lease or otherwise dispose of any of the Collateral, in its condition at the time Lender obtains possession of it or after further manufacturing, processing or repair, at one or more public and/or private sales, in lots or in bulk, for cash, exchange or other property, or on credit, and to adjourn any such sale from time to time without notice other than oral announcement at the time scheduled for sale; *provided, however*, that in all cases Lender (I) shall exercise reasonable care in any use of Borrower's Equipment and only use Borrower's Equipment if Lender's use would not be reasonably expected to damage such Equipment, (II) if Lender uses Borrower's Equipment or enters upon Borrower's premises, Lender shall comply with all applicable laws, rules and regulations regarding the use of, or entrance upon, Borrower's Equipment or premises, or that are applicable to Borrower, including all safety and hazard rules and regulations applicable to Borrower's premises and work areas. Lender shall have the right to conduct such disposition on Borrower's premises without charge and following notice hereunder, for such time or times as Lender deems reasonable, or on Lender's premises, or elsewhere and the Collateral need not be located at the place of disposition. Lender may directly or through any affiliated company purchase or lease any Collateral at any such public disposition, and if permissible under applicable law, at any private disposition. Any sale or other disposition of Collateral shall not relieve Borrower of any liability Borrower may have if any Collateral is defective as to title or physical condition or otherwise at the time of sale, unless (i) such title defect or physical condition was directly caused by Lender's actions, or (ii) such title defect or physical condition is remedied by Borrower within the Cure Period. All reasonable attorneys' fees, expenses, costs, liabilities and obligations incurred by Lender with respect to the foregoing shall be added to and become part of the Obligations, shall be due on demand, and shall bear interest at a rate equal to the highest interest rate applicable to any of the Obligations.

7.3 Standards for Determining Commercial Reasonableness. Borrower and Lender agree that a sale or other disposition (collectively, "sale") of any Collateral which complies with the following standards will conclusively be deemed to be commercially reasonable: (i)

David J. Richards, LLC

C'S Mining Loan and Security Agreement

Notice of the sale is given to Borrower at least ten days prior to the sale, and, in the case of a public sale, notice of the sale is published at least five days before the sale in a newspaper of general circulation in the county where the sale is to be conducted; (ii) Notice of the sale describes the collateral in general, non-specific terms; (iii) The sale is conducted at a place designated by Lender, with or without the Collateral being present; (iv) The sale commences at any time between 8:00 a.m. and 6:00 p.m.; (v) Payment of the purchase price in cash or by cashier's check or wire transfer, or by deferred payment obligation acceptable to Lender in its discretion, is required; (vi) With respect to any sale of any of the Collateral, Lender may (but is not obligated to) direct any prospective purchaser to ascertain directly from Borrower any and all information concerning the same. Lender shall be free to employ other methods of noticing and selling the Collateral, in its discretion, if they are commercially reasonable.

7.4 Power of Attorney. Upon the occurrence and during the continuance of any Event of Default and the expiration of the Cure Period, without limiting Lender's other rights and remedies, Borrower grants to Lender an irrevocable power of attorney coupled with an interest, authorizing and permitting Lender (acting through any of its employees, attorneys or agents) at any time, at its option, but without obligation, with notice to Borrower, and at Borrower's expense, to do any or all of the following, in Borrower's name or otherwise, but Lender agrees that if it exercises any right hereunder, it will do so in good faith and in a commercially reasonable manner: (a) Execute on behalf of Borrower any documents that Lender may, in its good faith business judgment, deem advisable in order to perfect and maintain Lender's security interest in the Collateral, or in order to exercise a right of Borrower or Lender, or in order to fully consummate all the transactions contemplated under this Agreement, and all other Loan Documents; (b) Pay, contest or settle any lien, charge, encumbrance, security interest and adverse claim in or to any of the Collateral, or any judgment based thereon, or otherwise take any action to terminate or discharge the same; (c) Pay any sums required on account of Borrower's taxes or to secure the release of any liens therefor, or both; (d) Settle and adjust, and give releases of, any insurance claim that relates to any of the Collateral and obtain payment therefor; (e) endorse the name of Borrower upon any instruments, or documents, as evidence of payment or collateral that may come into Lender's possession; (f) Instruct any third party having custody or control of any books or records belonging to, or relating to, Borrower to give Lender the same rights of access and other rights with respect thereto as Lender has under this Agreement; and (g) Take any action or pay any sum required of Borrower pursuant to this Agreement and any other Loan Documents. Any and all reasonable sums paid and any and all reasonable costs, expenses, liabilities, obligations and attorneys' fees

incurred by Lender with respect to the foregoing shall be added to and become part of the Obligations, shall be payable on demand, and shall bear interest at a rate equal to the highest interest rate applicable to any of the Obligations. In no event shall Lender's rights under the foregoing power of attorney or any of Lender's other rights under this Agreement be deemed to indicate that Lender is in control of the business, management or properties of Borrower.

7.5 Application of Proceeds. All proceeds realized as the result of any sale of the Collateral shall be applied by Lender to the Obligations in such order as Lender shall determine in its sole discretion. Any surplus shall be paid to Borrower or other persons legally entitled thereto; Borrower shall remain liable to Lender for any deficiency. If, Lender, in its good faith business judgment, directly or indirectly enters into a deferred payment or other credit transaction with any purchaser at any sale of Collateral, Lender shall have the option, exercisable at any time, in its good faith business judgment, of either reducing the Obligations by the principal amount of purchase price or deferring the reduction of the Obligations until the actual receipt by Lender of the cash therefore; *provided, however,* that if Lender chooses to accept a deferred payment obligation, such deferred payment obligation shall be deemed paid when accepted by Lender.

7.6 Remedies Cumulative. In addition to the rights and remedies set forth in this Agreement, Lender shall have all the other rights and remedies accorded a secured party under the Ohio Uniform Commercial Code and under all other applicable laws, and under any other instrument or agreement now or in the future entered into between Lender and Borrower, and all of such rights and remedies are cumulative and none is exclusive. Exercise or partial exercise by Lender of one or more of its rights or remedies shall not be deemed an election, nor bar Lender from subsequent exercise or partial exercise of any other rights or remedies, if the Obligations have not been satisfied and performed in full. The failure or delay of Lender to exercise any rights or remedies shall not operate as a waiver thereof, but all rights and remedies shall continue in full force and effect until all of the Obligations have been fully paid and performed.

CS Mining Loan and Security Agreement

Other Terms. All accounting terms used in this Agreement, unless otherwise indicated, shall have the meanings given to such terms in accordance with GAAP, consistently applied. All other terms contained in this Agreement, unless otherwise indicated, shall have the meanings provided by the Code, to the extent such terms are defined therein.

9. GENERAL PROVISIONS.

9.1 Computations. Payments received by Lender (including payment of the Obligations in full) shall be deemed applied by Lender on account of the Obligations on receipt by Lender of immediately available funds; provided that immediately available funds received after 12:00 Noon Pacific Time on any day shall be deemed received on the next Business Day. Lender shall not be required to credit Borrower's account for the amount of any item of payment which is unsatisfactory to Lender in its reasonable and good faith business judgment.

9.2 Application of Payments. All payments with respect to the Obligations may be applied, and in Lender's good faith business judgment reversed and re-applied, to the Obligations, in such order and manner as Lender shall determine in its reasonable and good faith business judgment.

9.3 Monthly Accountings. Lender shall provide Borrower monthly with a Statement of Account. Such account shall be deemed correct, accurate and binding on Borrower and an account stated (except for reverses and reapplications of payments made and corrections of errors discovered by Lender), unless (a) Borrower notifies Lender in writing to the contrary within 60 days after such account is rendered, describing the nature of any alleged errors or omissions, or (b) the Statement of Account contained a material error or miscalculation.

9.4 Notices. All notices to be given under this Agreement shall be in writing and shall be given either personally or by reputable private delivery service or by regular first-class mail, or certified mail return receipt requested, addressed (i) to Borrower at the address shown in the heading to this Agreement, or (ii) to Lender at the address shown in the heading to this Agreement, or (iii) for either party at any other address designated in writing by one party to the other party. All notices shall be deemed to have been given upon delivery in the case of notices personally delivered, or at the expiration of one Business Day following delivery to the private delivery service, or two Business Days following the deposit thereof in the United States mail, with postage prepaid.

9.5 Severability. Should any provision of this Agreement be held by any court of competent jurisdiction to be void or unenforceable, such defect shall not affect

the remainder of this Agreement, which shall continue in full force and effect.

9.6 Integration. This Agreement and such other written agreements, documents and instruments as may be executed in connection herewith are the final, entire and complete agreement between Borrower and Lender and supersede all prior and contemporaneous negotiations and oral representations and agreements, all of which are merged and integrated in this Agreement. There are no oral understandings, representations or agreements between the parties which are not set forth in this Agreement or in other written agreements signed by the parties in connection herewith.

9.7 Waivers; Indemnity. The failure of Lender at any time or times to require Borrower to strictly comply with any of the provisions of this Agreement or any other Loan Document shall not waive or diminish any right of Lender later to demand and receive strict compliance therewith. Any waiver of any default shall not waive or affect any other default, whether prior or subsequent, and whether or not similar. None of the provisions of this Agreement or any other Loan Document shall be deemed to have been waived by any act or knowledge of Lender or its agents or employees, but only by a specific written waiver signed by an authorized officer of Lender and delivered to Borrower. Borrower waives the benefit of all statutes of limitations relating to any of the Obligations or this Agreement or any other Loan Document, and Borrower waives demand, protest, notice of protest and notice of default or dishonor, notice of payment and nonpayment, release, compromise, settlement, extension or renewal of any commercial paper, instrument, account, General Intangible, document or guaranty at any time held by Lender on which Borrower is or may in any way be liable, and notice of any action taken by Lender, unless expressly required by this Agreement. Borrower hereby agrees to indemnify Lender and its affiliates, subsidiaries, parent, directors, officers, employees, agents, and attorneys, and to hold them harmless from and against any and all claims, debts, liabilities, demands, obligations, actions, causes of action, penalties, costs and expenses (including reasonable attorneys' fees), of every kind, which they may sustain or incur based upon or arising out of any of the Obligations, or any relationship or agreement between Lender and Borrower, or any other matter, relating to Borrower or the Obligations created hereunder; provided that this indemnity shall not extend to damages proximately caused by the indemnitee's own gross negligence, unlawful actions or omissions, willful or intentional misconduct. Notwithstanding any provision in this Agreement to the contrary, the indemnity agreement set forth in this Section shall survive any termination of this Agreement and shall for all purposes continue in full force and effect.

9.8 Liability. NEITHER LENDER NOR ITS PARENT, NOR ANY OF ITS AFFILIATES, SUBSIDIARIES,

David J. Richards, LLC

CS Mining Loan and Security Agreement

DIRECTORS, OFFICERS, EMPLOYEES, AGENTS OR ATTORNEYS SHALL BE LIABLE FOR ANY CLAIMS, DEMANDS, LOSSES OR DAMAGES, OF ANY KIND WHATSOEVER, MADE, CLAIMED, INCURRED OR SUFFERED BY BORROWER OR ANY OTHER PARTY THROUGH THE ORDINARY NEGLIGENCE OF LENDER, OR ITS PARENT OR ANY OF ITS AFFILIATES, SUBSIDIARIES, DIRECTORS, OFFICERS, EMPLOYEES, AGENTS OR ATTORNEYS, BUT NOTHING HEREIN SHALL RELIEVE LENDER FROM LIABILITY FOR ITS OWN GROSS NEGLIGENCE, UNLAWFUL ACTIONS OR OMISSIONS, WILLFUL OR INTENTIONAL MISCONDUCT. NEITHER LENDER NOR ITS PARENT, NOR ANY OF ITS AFFILIATES, SUBSIDIARIES, DIRECTORS, OFFICERS, EMPLOYEES, AGENTS OR ATTORNEYS SHALL BE RESPONSIBLE OR LIABLE TO BORROWER OR TO ANY OTHER PARTY FOR ANY INDIRECT, PUNITIVE, EXEMPLARY OR CONSEQUENTIAL DAMAGES WHICH MAY BE ALLEGED AS A RESULT OF ANY FINANCIAL ACCOMMODATION HAVING BEEN EXTENDED, SUSPENDED OR TERMINATED UNDER THIS AGREEMENT OR AS A RESULT OF ANY OTHER ACT, OMISSION OR TRANSACTION THAT IS NOT THE RESULT OF WILLFUL OR INTENTIONAL MISCONDUCT. Notwithstanding the foregoing or anything to the contrary contained in this Agreement, Lender (I) shall exercise reasonable care in any use, handling, foreclosure upon or sale of the Collateral and any use of Borrower's Equipment, and only use Borrower's Equipment if Lender's use would not be reasonably expected to damage such Equipment, (II) if Lender uses Borrower's Equipment or enters upon Borrower's premises, Lender shall comply with all applicable laws, rules and regulations regarding the use of, or entrance upon, Borrower's Equipment or premises, or that are applicable to Borrower, including all safety and hazard rules and regulations applicable to Borrower's premises and work areas.

9.9 Amendment. The terms and provisions of this Agreement may not be waived or amended, except in a writing executed by Borrower and a duly authorized officer of Lender.

9.10 Time of Essence. Time is of the essence in the performance by Borrower of each and every obligation under this Agreement.

9.11 Attorneys Fees and Costs. Borrower shall reimburse Lender for all reasonable attorneys' fees and all reasonable filing, recording, search, title insurance, appraisal, audit, and other reasonable costs incurred by Lender, pursuant to, or in connection with, or relating to this Agreement (whether or not a lawsuit is filed), including, but not limited to, any reasonable attorneys' fees and costs Lender incurs in order to do the following:

prepare and negotiate this Agreement and all present and future documents relating to this Agreement; obtain legal advice in connection with this Agreement or Borrower; enforce, or seek to enforce, any of its rights; prosecute actions against, or defend actions by, Account Debtors; commence, intervene in, or defend any action or proceeding; initiate any complaint to be relieved of the automatic stay in bankruptcy; file or prosecute any probate claim, bankruptcy claim, third-party claim, or other claim; examine, audit, copy, and inspect any of the Collateral or any of Borrower's books and records; protect, obtain possession of, lease, dispose of, or otherwise enforce Lender's security interest in, the Collateral; and otherwise represent Lender in any litigation relating to Borrower that is material to Lender or the Collateral; in each case, however, subject to the following: (i) all such expenses shall be subject to the terms set forth in this Agreement and any Schedules attached hereto, (ii) while an Event of Default is not continuing, Lender shall, if possible, notify Borrower prior to incurring expenses that exceed \$1,000; (iii) Lender's attorney's fees in connection with the preparation of this Agreement and related agreements shall not exceed \$10,000 without Borrower's consent; and (iv) the following terms of this Section and the terms of Section 9.18. If either Lender or Borrower files any lawsuit against the other predicated on a breach of this Agreement, the prevailing party in such action shall be entitled to recover its reasonable costs and attorneys' fees, including (but not limited to) reasonable attorneys' fees and costs incurred in the enforcement of, execution upon or defense of any order, decree, award or judgment. All attorneys' fees and costs to which Lender may be entitled pursuant to this Paragraph shall immediately become part of Borrower's Obligations, shall be due on demand, and shall bear interest at a rate equal to the highest interest rate applicable to any of the Obligations.

9.12 Benefit of Agreement. The provisions of this Agreement shall be binding upon and inure to the benefit of the respective successors, assigns, heirs, beneficiaries and representatives of Borrower and Lender; provided, however, that Borrower may not assign or transfer any of its rights under this Agreement without the prior written consent of Lender, and any prohibited assignment shall be void. No consent by Lender to any assignment shall release Borrower from its liability for the Obligations. Lender shall not sell, transfer or assign this Agreement or any Loans without providing notice to Borrower and obtaining Borrower's consent, not to be unreasonably withheld.

9.13 Intentionally Omitted.

9.14 Limitation of Actions. Any claim or cause of action by Borrower against Lender, its directors, officers, employees, agents, accountants or attorneys, based upon, arising from, or relating to this Loan Agreement, or any other Loan Document, or any other transaction contemplated hereby or thereby or relating hereto or

David J. Richards, LLC

CS Mining Loan and Security Agreement

thereto, or any other matter, cause or thing whatsoever, occurred, done, omitted or suffered to be done by Lender, its directors, officers, employees, agents, accountants or attorneys, shall be barred unless asserted by Borrower by the commencement of an action or proceeding in a court of competent jurisdiction by the filing of a complaint within one year after Borrower should have discovered, based on reasonable due diligence, the first act, occurrence or omission upon which such claim or cause of action, or any material part thereof, is based, and the service of a summons and complaint on an officer of Lender, or on any other person authorized to accept service on behalf of Lender, within thirty (30) days thereafter. Borrower agrees that such one-year period is a reasonable and sufficient time for Borrower to investigate and act upon any such claim or cause of action. The one-year period provided herein shall not be waived, tolled, or extended except by the written consent of Lender in its sole discretion. This provision shall survive any termination of this Loan Agreement or any other Loan Document.

9.15 Paragraph Headings; Construction. Paragraph headings are only used in this Agreement for convenience. Borrower and Lender acknowledge that the headings may not describe completely the subject matter of the applicable paragraph, and the headings shall not be used in any manner to construe, limit, define or interpret any term or provision of this Agreement. This Agreement has been fully reviewed and negotiated between the parties and no uncertainty or ambiguity in any term or provision of this Agreement shall be construed strictly against Lender or Borrower under any rule of construction or otherwise.

9.16 Public Announcement. Borrower hereby agrees that Lender may make a public announcement of the transactions contemplated by this Agreement, without disclosing the specific terms of the transactions contemplated hereunder, and may publicize the same in marketing materials, newspapers and other publications, and otherwise, and in connection therewith may use "private equity owned Utah-based mining company" to describe Borrower.

9.17 Governing Law; Jurisdiction; Venue. This Agreement and all acts, transactions disputes and controversies arising hereunder or relating hereto, and all rights and obligations of the parties shall be governed by, and construed in accordance with, the internal laws (and not the conflict of laws rules) of the State of Ohio. Each party consents to the jurisdiction of courts located within Franklin County, Ohio and the referee referred to in Section 9.18 below, and agrees that the exclusive venue for all actions and proceedings relating directly or indirectly to this Agreement shall be Franklin County, Ohio, and each party waives any and all rights the party may have to object to the jurisdiction of any such court or said referee, or to transfer or change the venue of any

such action or proceeding, including, without limitation, any objection to venue or request for change in venue based on the doctrine of *forum non conveniens*. Borrower consents to service of process in any action or proceeding brought against it by Lender, by personal delivery, or by mail addressed as set forth in this Agreement or by any other method permitted by law.

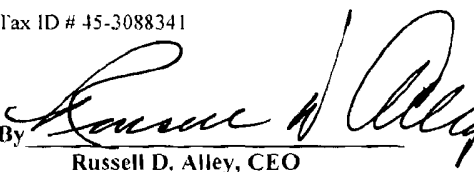

9.18 Intentionally Omitted.

9.19 Mutual Waiver of Jury Trial. BORROWER AND LENDER EACH HEREBY WAIVE THE RIGHT TO TRIAL BY JURY IN ANY ACTION OR PROCEEDING BASED UPON, ARISING OUT OF, OR IN ANY WAY RELATING TO, THIS AGREEMENT OR ANY OTHER PRESENT OR FUTURE INSTRUMENT OR AGREEMENT BETWEEN LENDER AND BORROWER, OR ANY CONDUCT, ACTS OR OMISSIONS OF LENDER OR BORROWER OR ANY OF THEIR DIRECTORS, OFFICERS, EMPLOYEES, AGENTS, ATTORNEYS OR ANY OTHER PERSONS AFFILIATED WITH LENDER OR BORROWER, IN ALL OF THE FOREGOING CASES, WHETHER SOUNDING IN CONTRACT OR TORT OR OTHERWISE.

Borrower: CS Mining, LLC

Address: P.O. Box 608
1208 South 200 West
Milford, Utah 84751

Date: August 10, 2012

This Schedule #1 forms an integral part of the Loan and Security Agreement between David J. Richards, LLC and the above-borrower of even date.

1. LOAN AMOUNT (Section 1.1):

Capital Expenditures Line ("Capex Line"): **\$ 3,500,000**

Advances under the Capex Line shall be limited to \$1,000,000 until Borrower reports a Debt Service Coverage of at least 1.0x for at least 3 consecutive months after commencing operations. Additionally, at the time of any advance after the initial \$1,000,000 of advances, Borrower shall be required to have a collateral coverage ratio of at least 1.2x based on the Net Orderly Liquidation Value ("NOLV") of existing Collateral plus the estimated NOLV of equipment purchased under the Capex Line. Borrower may be required to pledge additional unencumbered equipment as Collateral at the time of future advances to meet this requirement, if any new Collateral purchased with future advances is not sufficiently valuable to maintain this coverage ratio, and subject to the below.

Borrower may request up to 4 Loans under the Capex Line per quarter for up to 4 quarters after the date of this Agreement upon satisfaction of the conditions set forth in this Agreement. In addition to satisfaction of the Conditions set forth in this Agreement, Borrower's right to draw advances under the Capex Line in excess of \$1,000,000 shall be subject to Lender's prior approval, which may be withheld in Lender's sole discretion. Advances under the Capex Line may be used to purchase 100% of the hard cost of Eligible Equipment. Eligible Equipment may include both new and used equipment and

David J. Richards, LLC

Schedule #1 to CS Mining Loan and Security Agreement

shall exclude any soft costs (such as installation, service contracts, warranties, delivery fees and other such expenses outside of the cost of the actual equipment). At the end of each quarter, the sum of the disbursements shall be aggregated into a schedule.

Advances under the Capex Line shall be repaid as follows:

Prior to the aggregating of the individual advances under the Capex Line into a schedule at the end of each quarter, Borrower shall pay interest monthly payable on the 1st day of each month on the average monthly balance during the prior month. Payments on the aggregate amount of disbursements evidenced by the schedules shall be due on the 1st day of each month subsequent to the creation of the schedule in equal payments of principal and interest based on a 48-month amortization and the interest rate stated below. On the Maturity Date, Borrower shall make a balloon payment which shall include all outstanding principal and accrued interest.

If any payment of principal or accrued interest is not made within ten days after the date due, Borrower shall pay Lender a late payment fee equal to 5% of the amount of such late payment. The provisions of this paragraph shall not be construed as Lender's consent to Borrower's failure to pay any amounts when due, and Lender's acceptance of any such late payments shall not restrict Lender's exercise of any remedies arising out of any such failure.

2. INTEREST.

Interest Rate (Section 1.2):

During the period from the closing date until Borrower reports a Debt Service Coverage of at least 1.0x for at least one full month of operations, the Loans shall bear a fixed interest rate of 1.35% per month on the average outstanding balance. Starting on the 1st of the month following Lender's receipt of financial reports showing Debt Service Coverage of at least 1.0x for at least one full month, advances under the Capex Line shall bear interest at a floating interest rate equal to the sum of the Prime Index Rate, plus 9.25% per annum, currently at 12.5%, but will have a fixed / set monthly payment for the entire term for cash flow and accounting purposes. If the Prime Index Rate, currently 3.25%, should increase, the interest due will be billed accordingly on a quarterly basis. Conversely, if the prime rate should go down, the Borrower will benefit on this as well, but never lower than the initial interest rate at funding of 12.5%.

David J. Richards, LLC

Schedule #1 to CS Mining Loan and Security Agreement

Interest shall be computed on the basis of a 360-day year for the actual number of days elapsed. Without limiting any of Lender's rights and remedies, from and after the occurrence and during the continuance of any Event of Default and the expiration of the Cure Period or other applicable cure period, the interest rate applicable to the Obligations shall be increased by an additional five percent (5.0%) per annum (the "Default Rate").

3. FEES (Section 1.4):

Facility Fee: A Facility Fee of one and three-fourths of one percent (1.75%) of the initial \$1,000,000 in advances under the Capex Line (\$ 17,500) will be paid from the proceeds of the funding due at close. A Facility Fee of one percent (1.0%) on all subsequent advances under the Capex Line shall be earned at the time of each advance, but payable from the proceeds of the funding at the time that advances are bundled into schedules at the end of each quarter.

Prepayment and Prepayment Fees: In months 1-24 of the Loans a two percent (2.0%) prepayment fee will be assessed. All prepayment penalties will be assessed against the original principal amount of aggregate advances under the Capex Line. Notwithstanding the foregoing, Borrower may prepay the Obligations at any time if Lender declares an Event of Default and/or acceleration.

Said prepayment fee shall be due from Borrower to Lender upon any prepayment of the principal of any Loan, including without limitation any prepayment as a result of an Event of Default or the exercise of any rights or remedies by Lender following the same. Prepayments of the principal amount of any Loan shall be applied to the payments set forth herein in the inverse order of their maturity.

Wire Fee: \$25.00 per wire.

4. MATURITY DATE
(Section 6.1):

The earliest of the following dates ("Maturity Date"): (i) the date that all advances under the Capex Line have been paid in full; or (ii) July 31, 2017; or (iii) the date this Agreement terminates by its terms or is terminated, as provided in this Agreement. On the Maturity Date (or, if earlier, upon acceleration of the Obligations in accordance with the terms of this Agreement), the entire unpaid principal balance of the Term Loan, plus all other Obligations relating to the Term Loan (including accrued and unpaid interest thereon) shall be due and payable.

David J. Richards, LLC

Borrower shall comply with each of the following covenants. Compliance shall be determined as of the end of each fiscal month:

Minimum Cash Balance. Borrower shall maintain a minimum Cash Balance of at least \$500,000 until Borrower reports a Debt Service Coverage of at least 1.0x for at least 3 consecutive months after commencing flotation mill operations and processing.

6. REPORTING.

(Section 5.3):

Following any Change of Control, Borrower shall provide Lender with the following:

- (a) Borrower shall provide Lender with copies of CPA-audited annual business financial statements within 120 days of the company's fiscal year end for the year ending December 31, 2012 and each year thereafter, which shall be prepared in accordance with GAAP.

Borrower's quarterly financial statements shall be prepared in accordance with GAAP, to the best of Borrower's knowledge.
- (d) Borrower shall provide Lender with copies of corporate income tax returns, or its extension, within 10 days of their filing, but in no event later than 10 months after its fiscal year end.
- (e) Annual operating budgets (including income statements, balance sheets and cash flow statements, by month) for the upcoming fiscal year of Borrower no later than 30 days prior to the end of each fiscal year of Borrower, beginning with year 2013.

ARTICLE III. COLLATERAL

3.01 Grant of Security Interest.

As collateral security for the prompt and complete payment and performance of the Obligations, the Borrower hereby grants to the Lender a security interest in and Lien upon all of its personal property, tangible or intangible, and whether now owned or hereafter acquired, or in which it now has or at any time in the future may acquire any right, title, or interest, including all of the following property in which it now has or at any time in the future may acquire any right, title or interest: all Accounts (other than Accounts arising from the sale of magnetite); all Deposit Accounts, all other bank accounts and all funds on deposit therein; all money, cash and cash equivalents; all Investment Property; all Equity Interests; all Goods (including Inventory, Equipment, Fixtures and minerals and other as extracted collateral (other than magnetite)); all Chattel Paper, Documents and Instruments; all Books and Records; all General Intangibles (including all Intellectual Property, contract rights, choses in action, Payment Intangibles and Software); all Letter-of-Credit Rights; all Supporting Obligations; and to the extent not otherwise included, all Proceeds, tort claims, insurance claims and other rights to payment not otherwise included in the foregoing and products of all and any of the foregoing and all accessions to, substitutions and replacements for, and rents and profits of, each of the foregoing, in each case subject to and excluding the Excluded Collateral (all of the foregoing, together with any other collateral pledged to the Lender pursuant to any other documents, collectively, the "**UCC Collateral**").

3.02 Representations, Warranties and Covenants.

The Borrower and the Lender agree that the Security Documents create, and are intended to create, valid and continuing Liens upon the UCC Collateral in favor of the Lender. The Borrower represents, warrants and promises to the Lender that: (i) the Borrower has rights in and the power to transfer each item of the UCC Collateral upon which it purports to grant a Lien pursuant to this Agreement, free and clear of any and all Liens or claims of others, other than Liens permitted by the terms of the Loan Documents (including Permitted Liens); (ii) the security interests granted pursuant to this Agreement, upon completion of the filings and other actions required to perfect such security interests (which, in the case of all such filings and other

documents, are delivered to the Lender in duly executed form) will constitute valid perfected security interests in all of the UCC Collateral in favor of the Lender as security for the prompt and complete payment and performance of the Obligations, enforceable in accordance with the terms hereof against any and all creditors of and purchasers from the Borrower (other than purchasers of Inventory in the ordinary course of business) and such security interests are prior to all other Liens on the UCC Collateral in existence on the date hereof other than Liens permitted to have priority by the terms of the Loan Documents (including Permitted Liens); and (iii) no effective security agreement, mortgage, deed of trust, financing statement, equivalent security or Lien instrument or continuation statement covering all or any part of the UCC Collateral is or will be on file or of record in any public office, except those permitted under the Loan Documents. If the Borrower retains possession of any Chattel Paper or Instrument with the Lender's consent, such Chattel Paper and Instruments shall be marked with the following legend: "This writing and the obligations evidenced or secured hereby are subject to the security interest of Noble Americas Corp. and its successor and assigns." The Borrower shall promptly, and in any event within five (5) Business Days after the same is acquired by it, notify the Lender of any commercial tort claim (as defined in the Uniform Commercial Code) of more than \$1,000,000 acquired by it and unless otherwise consented by the Lender, the Borrower shall enter into a supplement to this Agreement granting to the Lender a Lien in such commercial tort claim.

3.04 Bank Accounts.

The Borrower shall notify the Lender if it establishes any depository or other bank account of any kind with any financial institution other than any depository or other bank account that (i) is maintained solely for the purpose of processing and paying the employee payroll, benefit and related withholding obligations of the Borrower or (ii) has a balance at all

times of less than \$500,000. Borrower shall not be required to put in place an account control agreement with Lender for its bank accounts other than the Project Account.

3.05 Remedies.

Upon the occurrence and continuance of an Event of Default, the Lender shall have all the rights and remedies of a secured party provided in the Uniform Commercial Code. The UCC Collateral is granted as security only and shall not subject the Lender to, or in any way affect or modify, any obligation or liability of the Borrower with respect to any of the Collateral or any transaction in connection therewith.

3.06 Financing Statements.

The Borrower agrees that it will, at the Borrower's expense and in such manner and form as the Lender may reasonably require, execute, deliver, file and record any financing statement, specific assignment or other paper, enter into a control agreement with respect to the UCC Collateral and take any other action that may be reasonably necessary or desirable, or that the Lender may reasonably request, in order to create, preserve, perfect or validate any security interest or to enable the Lender to exercise and enforce its rights hereunder with respect to any of the UCC Collateral. To the extent permitted by applicable law, the Borrower hereby authorizes the Lender to execute and file, in the name of the Borrower or otherwise, Uniform Commercial Code financing statements (which may be carbon, photographic, photostatic or other reproductions of this Agreement or of a financing statement relating to this Agreement) which the Lender in its reasonable discretion may deem necessary or appropriate to further perfect its security interest in the UCC Collateral. The Borrower will not (i) change its name or place of incorporation or (ii) change its location (determined as provided in Uniform Commercial Code Section 9-307) except to the extent that any actions necessary to perfect the security interests of the Lender have been taken.

3.07 Power-of-Attorney.

The Borrower hereby irrevocably appoints the Lender as its true and lawful attorney, with full power of substitution, in the name of the Borrower, the Lender or otherwise, for the sole use and benefit of the Lender, but at the expense of the Lender, to the extent permitted by law to exercise, at any time and from time to time while an Event of Default has occurred and is continuing, all or any of the following powers with respect to all or any of the UCC Collateral:

- (a) to demand, sue for, collect, receive and give acquittance for any and all monies due to become due upon or by virtue thereof,
- (b) to settle, compromise, compound, prosecute or defend any action or proceeding with respect thereto,
- (c) to sell, transfer, assign or otherwise deal in or with the same or the proceeds or avails thereof, as fully and effectually as if the Lender were the absolute owner thereof, and
- (d) to extend the time of payment of any or all thereof and to make any allowance and other adjustments with reference thereto;

provided that the Lender shall give the Borrower not less than ten days' prior written notice of the time and place of any sale or other intended disposition of any of the UCC Collateral. The Lender and the Borrower agree that such notice constitutes "reasonable notification" within the meaning of Sections 9-611 and 9-612 of the UCC.

3.08 Release.

Upon the repayment in full of all amounts owed hereunder, the security interest, deeds of trust and Liens created by the Security Documents, shall terminate and all rights to the Collateral shall revert to the Borrower. Upon such terminations, the Lender will execute and deliver to the Borrower such documents as the Borrower shall reasonably request to evidence such terminations on the Collateral created pursuant to the Security Documents. If the Lender agrees pursuant to Section 7.01(j) and as specified in Schedule 3.01 to permit Liens on assets described in items 1, 2, 3, 4, 12 or 13 of Schedule 3.01 then to the extent so agreed such assets will become "Excluded Collateral" and the Lender will execute and deliver to the Borrower such documents as the Borrower shall reasonably request to evidence such terminations on the Collateral created pursuant to the Security Documents in such assets.

(p) Change of Ownership Default. (i) Until the Project Completion Date, (x) the members of Skye on the Closing Date cease to retain management control (as such term is defined in the definition of "Affiliate") of the Borrower or (y) Skye at any time sells or otherwise transfers its management control of the Borrower or (ii) at any time (x) either Loan Party is controlled by a direct competitor of the Lender or (y) the Borrower issues or has outstanding any equity other than non-redeemable common equity or Permitted Preferred Equity; or

(q) Abandonment Default. An Event of Abandonment shall have occurred.

8.02 Remedies Upon Event of Default. If any Event of Default occurs and is continuing, the Lender may take any or all of the following actions:

(a) declare the Commitment to be terminated, whereupon the Commitment shall be terminated;

(b) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder or under any other Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrower; and

(c) exercise all rights and remedies available to it under the Loan Documents or applicable law;

provided, however, that upon the occurrence of an actual or deemed entry of an order for relief with respect to the Borrower under the Bankruptcy Code of the United States, the Commitment shall automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable, without further act of the Lender.

No amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Borrower or any other Loan Party therefrom, shall be effective unless in writing signed by the Lender and the Borrower or the applicable Loan Party, as the case may be, and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

9.02 Notices and Other Communications; Facsimile Copies.

(a) General. Unless otherwise expressly provided herein, all notices and other communications provided for hereunder shall be in writing (including by facsimile transmission). All such written notices shall be mailed, faxed or delivered to the address, facsimile number or (subject to subsection (c) below) electronic mail address specified for notices to the applicable party on Schedule 9.02; or to such other address, facsimile number or electronic mail address as shall be designated by such party in a notice to the other party. All notices and other communications expressly permitted hereunder to be given by telephone shall be made to the telephone number specified for notices to the applicable party on Schedule 9.02, or to such other telephone number as shall be designated by such party in a notice to the other party. All such notices and other communications shall be deemed to be given or made upon the earlier to occur of (i) actual receipt by the relevant party hereto and (ii) (A) if delivered by hand or by courier, when signed for by or on behalf of the relevant party hereto; (B) if delivered by mail, four Business Days after deposit in the mails, postage prepaid; (C) if delivered by facsimile, when sent and receipt has been confirmed by telephone; and (D) if delivered by electronic mail (which form of delivery is subject to the provisions of subsection (c) below), when delivered; provided, however, that notices and other communications to the Lender pursuant to Article II shall not be effective until actually received by the Lender. In no event shall a voicemail message be effective as a notice, communication or confirmation hereunder.

(b) Effectiveness of Facsimile Documents and Signatures. Loan Documents may be transmitted and/or signed by facsimile. The effectiveness of any such documents and signatures shall, subject to applicable Law, have the same force and effect as manually-signed originals and

shall be binding on all Loan Parties and the Lender. The Lender may also require that any such documents and signatures be confirmed by a manually-signed original thereof; provided, however, that the failure to request or deliver the same shall not limit the effectiveness of any facsimile document or signature.

(c) Limited Use of Electronic Mail. Electronic mail and Internet and intranet websites may be used only to distribute routine communications, such as financial statements and other information as provided in Section 6.02, and to distribute Loan Documents for execution by the parties thereto, and may not be used for any other purpose.

(d) Reliance by Lender. The Lender shall be entitled to rely and act upon any notices (including telephonic Loan Requests) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify the Lender, its Affiliates, and their respective officers, directors, employees, agents and attorneys-in-fact from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower. All telephonic notices to and other communications with the Lender may be recorded by the Lender, and the Borrower hereby consents to such recording.

9.03 No Waiver; Cumulative Remedies. No failure by the Lender to exercise, and no delay by the Lender in exercising, any right, remedy, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

9.04 Attorney Costs, Expenses and Taxes. The Borrower agrees (a) to pay or reimburse the Lender for all costs and expenses incurred in connection with the development, preparation, negotiation and execution of this Agreement and the other Loan Documents and any amendment, waiver, consent or other modification of the provisions hereof and thereof (whether or not the transactions contemplated hereby or thereby are consummated, but for the avoidance of doubt not Attorney Costs associated with the development, preparation, negotiation and execution of the Cathode Sales Agreement and the Concentrate Sales Agreement), and the consummation and administration of the transactions contemplated hereby and thereby, including all Attorney Costs, and (b) to pay or reimburse the Lender for all costs and expenses incurred in connection with the enforcement, attempted enforcement, or preservation of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any "workout" or restructuring in respect of the Obligations and during any legal proceeding, including any proceeding under any Debtor Relief Law), including all Attorney Costs. The foregoing costs and expenses shall include all search, filing, recording, title insurance and appraisal charges and fees and taxes related thereto, and other out-of-pocket expenses incurred by the Lender and the cost of independent public accountants and other outside experts retained by the Lender. All amounts due under this Section 9.04 shall be payable within ten Business Days after demand therefor. The agreements in this Section shall survive the termination of the Commitment and repayment, satisfaction or discharge of all other Obligations.

9.05 Indemnification by the Borrower. Whether or not the transactions contemplated hereby are consummated, the Borrower shall indemnify and hold harmless the Lender, its Affiliates, and their respective directors, officers, employees, counsel, agents and attorneys-in-fact (collectively the "Indemnitees") from and against any and all liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses and disbursements (including Attorney Costs) of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted against any such Indemnatee in any way relating to or arising out of or in connection with (a) the execution, delivery, enforcement, performance or administration of any Loan Document or any other agreement, letter or instrument delivered in connection with the transactions contemplated thereby or the consummation of the transactions contemplated thereby, (b) the Commitment, any Loan or the use or proposed use of the proceeds therefrom, (c) any actual or alleged presence or release of Hazardous Materials on or from any property currently or formerly owned or operated by the Borrower, any Affiliate or any other Loan Party, or any Environmental Liability related in any way to the Borrower, any Affiliate or any other Loan Party, or (d) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding) and regardless of whether any Indemnatee is a party thereto (all the foregoing, collectively, the "Indemnified Liabilities"), in all cases, whether or not caused by or arising, in whole or in part, out of the negligence of the Indemnatee; provided that such indemnity shall not, as to any Indemnatee, be available to the extent that such liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses or disbursements are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnatee. No Indemnatee shall have any liability for any indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date). All amounts due under this Section 9.05 shall be payable within ten Business Days after demand therefor. The agreements in this Section shall survive the termination of the Commitment and the repayment, satisfaction or discharge of all the other Obligations.

9.06 Payments Set Aside. To the extent that any payment by or on behalf of the Borrower is made to the Lender, or the Lender exercises its right of set-off, and such payment or the proceeds of such set-off or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then, to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such set-off had not occurred.

9.07 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Lender and the Lender may not assign or otherwise transfer any

of its rights or obligations hereunder except (i) to an Eligible Assignee in accordance with the provisions of subsection (b) of this Section, (ii) by way of participation in accordance with the provisions of subsection (c) of this Section, or (iii) by way of pledge or assignment of a security interest subject to the restrictions of subsection (e) of this Section (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in subsection (c) of this Section and, to the extent expressly contemplated hereby, the Indemnitees) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) The Lender may at any time with prior notice to the Borrower, assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of the Commitment and the Loans at the time owing to it) pursuant to documentation acceptable to the Lender and the assignee. From and after the effective date specified in such documentation, such Eligible Assignee shall be a party to this Agreement and, to the extent of the interest assigned by the Lender, have the rights and obligations of the Lender under this Agreement, and the Lender shall, to the extent of the interest so assigned, be released from its obligations under this Agreement (and, in the case of an assignment of all of the Lender's rights and obligations under this Agreement, shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.10, 9.04 and 9.05 with respect to facts and circumstances occurring prior to the effective date of such assignment. Upon request, the Borrower (at its expense) shall execute and deliver new or replacement Notes to the Lender and the assignee, and shall execute and deliver any other documents reasonably necessary or appropriate to give effect to such assignment and to provide for the administration of this Agreement after giving effect thereto.

(c) The Lender may at any time, without the consent of, but with prior notice to, the Borrower, sell participations to any Person (other than a natural person or the Borrower or any of the Borrower's Affiliates or Subsidiaries) (each, a "Participant") in all or a portion of the Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans); provided that (i) the Lender's obligations under this Agreement shall remain unchanged, (ii) the Lender shall remain solely responsible to the Borrower for the performance of such obligations and (iii) the Borrower shall continue to deal solely and directly with the Lender in connection with the Lender's rights and obligations under this Agreement. Subject to subsection (d) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits of Section 2.10 to the same extent as if it were the Lender and had acquired its interest by assignment pursuant to subsection (b) of this Section. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.09 as though it were the Lender.

(d) A Participant shall not be entitled to receive any greater payment under Section 2.10 than the Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent. A Participant that is not a "United States person" within the meaning of Section 7701(a)(30) of the Code shall not be entitled to the benefits of Section 2.10 unless the Borrower is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Borrower, to provide to the Lender such tax forms prescribed by the

IRS as are necessary or desirable to establish an exemption from, or reduction of, U.S. withholding tax.

(c) The Lender may at any time without the consent of, but with prior notice to, the Borrower pledge or assign a security interest in all or any portion of its rights under this Agreement and the other Loan Documents to secure obligations of the Lender; provided that no such pledge or assignment shall release the Lender from any of its obligations hereunder or substitute any such pledgee or assignee for the Lender as a party hereto and any pledgee or assignee shall agree to be bound by this Section 9.07.

(f) As used herein, the following terms have the following meanings:

“Eligible Assignee” means (a) an Affiliate of the Lender and (b) any other Person (other than a natural person) approved by the Borrower (such approval not to be unreasonably withheld or delayed); provided that no such approval shall be required if an Event of Default has occurred and is continuing.

9.08 Confidentiality. The Lender agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates’ directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority, (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower and its obligations, (g) with the consent of the Borrower or (h) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section or (y) becomes available to the Lender on a nonconfidential basis from a source other than the Borrower. For purposes of this Section, “Information” means all information received from any Loan Party relating to any Loan Party or any of their respective businesses, other than any such information that is available to the Lender on a nonconfidential basis prior to disclosure by any Loan Party, provided that, in the case of information received from a Loan Party after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

9.09 Set-off. In addition to any rights and remedies of the Lender provided by law, upon the occurrence and during the continuance of any Event of Default, the Lender is authorized at any time and from time to time, without prior notice to the Borrower or any other

Loan Party, any such notice being waived by the Borrower (on its own behalf and on behalf of each Loan Party) to the fullest extent permitted by law, to set off and apply any and all indebtedness or other amounts at any time owing by, the Lender or any of its Affiliates to or for the credit or the account of the respective Loan Parties against any and all Obligations owing to the Lender hereunder or under any other Loan Document, now or hereafter existing, irrespective of whether or not the Lender shall have made demand under this Agreement or any other Loan Document and although such Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable indebtedness or other amounts. The Lender agrees promptly to notify the Borrower after any such set-off and application; provided, however, that the failure to give such notice shall not affect the validity of such set-off and application. Without limiting the foregoing, Borrower expressly authorizes the Lender and its Affiliates to, without prior notice or judicial action, setoff (by way of setoff, recoup, net, offset, combination of accounts, retention, or withholding) any sum, amount, or obligation (whether fixed, matured, unmatured, liquidated, unliquidated, or contingent) owed by the Lender or its Affiliates to the Borrower under the Cathode Sales Agreement or the Concentrate Sales Agreement against any sum, amount, or obligation (whether fixed, matured, unmatured, liquidated, unliquidated, or contingent) owed by the Borrower to the Lender under the Loan Documents. The foregoing is in addition to, and not in limitation of, any other right or remedy available to the Lender or its Affiliates (including any other right of setoff), whether arising by this Agreement or any other agreements, or under applicable law, equity, or otherwise.

9.10 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the "Maximum Rate"). If the Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by the Lender exceeds the Maximum Rate, the Lender may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

9.11 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

9.12 Integration. This Agreement, together with the other Loan Documents, comprises the complete and integrated agreement of the parties on the subject matter hereof and thereof and supersedes all prior agreements, written or oral, on such subject matter. In the event of any conflict between the provisions of this Agreement and those of any other Loan Document, the provisions of this Agreement shall control; provided that the inclusion of supplemental rights or remedies in favor of the Lender in any other Loan Document shall not be deemed a conflict with this Agreement. Each Loan Document was drafted with the joint participation of the respective parties thereto and shall be construed neither against nor in favor of any party, but rather in accordance with the fair meaning thereof.

9.13 Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Lender, regardless of any investigation made by the Lender or on its behalf and notwithstanding that the Lender may have had notice or knowledge of any Default at the time of any Loan, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied.

9.14 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

9.15 Governing Law.

(a) THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK APPLICABLE TO AGREEMENTS MADE AND TO BE PERFORMED ENTIRELY WITHIN SUCH STATE; PROVIDED THAT THE LENDER SHALL RETAIN ALL RIGHTS ARISING UNDER FEDERAL LAW.

(b) ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK SITTING IN THE CITY OF NEW YORK OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF NEW YORK, AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT, THE BORROWER AND THE LENDER EACH CONSENTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE NON-EXCLUSIVE JURISDICTION OF THOSE COURTS. THE BORROWER AND THE LENDER EACH IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF *FORUM NON CONVENIENS*, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF ANY LOAN DOCUMENT OR OTHER DOCUMENT RELATED THERETO. THE BORROWER AND THE LENDER EACH WAIVES PERSONAL SERVICE OF ANY SUMMONS, COMPLAINT OR OTHER PROCESS, WHICH MAY BE MADE BY ANY OTHER MEANS PERMITTED BY THE LAW OF SUCH STATE.

9.16 Waiver of Right to Trial by Jury. EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY

LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER FOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE SIGNATORIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

RICHARDS, LLC, an Ohio limited liability company d/b/a Western US Mineral Investors, LLC (“**WUMI**”), and NOBLE AMERICAS CORP., a Delaware corporation (“**Noble**”). Each of WUMI and Noble may be referred to herein as a “**Party**”, and together they may be referred to as the “**Parties**.”

RECITALS

WHEREAS, WUMI has extended credit to Borrower pursuant to that certain Loan and Security Agreement originally dated as of August 10, 2012, (as amended, restated, supplemented, waived, replaced (whether or not upon termination, and whether with the original lenders or otherwise), restructured, repaid, refunded, refinanced or otherwise modified from time to time after the date hereof, including any agreement extending the maturity thereof, refinancing, replacing or otherwise restructuring all or any portion of the indebtedness under such agreement or agreements or indenture or indentures or any successor or replacement agreement or agreements or indenture or indentures or increasing the amount loaned or issued thereunder or altering the maturity thereof, the “**WUMI Loan Agreement**”);

WHEREAS, Borrower desires Noble to extend credit and loans to Borrower pursuant to and on the terms set forth in that certain Loan and Security Agreement between Noble and Borrower dated August 12, 2014 (as amended, restated, supplemented, waived, replaced (whether or not upon termination, and whether with the original lenders or otherwise), restructured, repaid, refunded, refinanced or otherwise modified from time to time after the date hereof, including any agreement extending the maturity thereof, refinancing, replacing or otherwise restructuring all or any portion of the indebtedness under such agreement or agreements or indenture or indentures or any successor or replacement agreement or agreements or indenture or indentures or increasing the amount loaned or issued thereunder or altering the maturity thereof, the “**Noble Loan Agreement**”, and together with the WUMI Loan Agreement, the “**Loan Agreements**”);

WHEREAS, Noble desires to have WUMI subordinate its rights to repayment and liens under the WUMI Loan to all obligations now or hereinafter owing from the Borrower to Noble under or pursuant to the Noble Loan; and

WHEREAS, WUMI anticipates to benefit directly from the Noble Loan as well as benefits flowing to Borrower.

AGREEMENT

NOW, THEREFORE, in consideration of the good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and in order to induce Noble to

Execution Version

extend credit to Borrower, which Noble would not have done but for this Agreement, the parties agree as follows:

1. **Acknowledgements and Consents.** Each of WUMI and Noble (including for purposes of their respective Loan Agreements on the date hereof): (a) acknowledges and consents to the Borrower having entered into the Loan Agreements in their respective forms on the date hereof; and (b) consents to the Borrower granting to the other Party security interests in the Collateral pursuant to the applicable security documents and the terms hereof.

2. **Subordination Agreements.**

2.1. **Subordination of Noble Collateral by WUMI.** WUMI hereby subordinates any lien, security interest, mortgage or deed of trust (each, a “**Lien**”) that WUMI may now have or hereafter acquire in those certain properties, assets and/or equipment set forth on Exhibit A hereto (the “**Noble Priority Collateral**”), in favor of any Lien that Noble now has or hereafter acquires in the Noble Priority Collateral. All Noble Obligations shall at all times be senior and prior to the WUMI Obligations in right to receive cash payment from or with respect to the Noble Priority Collateral and sale or proceeds thereof, and WUMI’s Liens in the Noble Priority Collateral, regardless of the time or order of creation, grant, attachment, or perfection and notwithstanding any provision of the Uniform Commercial Code of any jurisdiction, or any other applicable law or the Loan Agreements or any defect or deficiencies in, or failure to perfect any such Liens or any other circumstance whatsoever (including any non-perfection of any Lien purporting to secure the Noble Obligations and/or the WUMI Obligations).

“**Noble Obligations**” means all “Obligations” (as such term is defined in the Noble Loan Agreement) and all other obligations of the Borrower to pay principal, premium, if any, and interest (including any interest accruing after the commencement of any Creditor Proceeding, regardless of whether allowed or allowable in such proceeding) when due and payable, and all other amounts due or to become due under or in connection with the Noble Loan Agreement and the performance of all other Obligations of the Borrower thereunder to Noble under the Noble Loan Agreement, according to the respective terms thereof.

“**WUMI Obligations**” means all obligations of the Borrower to pay principal, premium, if any, and interest (including any interest accruing after the commencement of any Creditor Proceeding, regardless of whether allowed or allowable in such proceeding) when due and payable, and all other amounts due or to become due under or in connection with the WUMI Loan Agreement and the performance of all other Obligations of the Borrower thereunder to WUMI under the WUMI Loan Agreement, according to the respective terms thereof.

2.2. **Subordination of Other Collateral by Noble.** Noble acknowledges that it is subordinate to WUMI with respect to, and to the extent necessary hereby subordinates, any Lien that Noble may now have or hereafter acquire in the properties of Borrower that do not constitute Noble Priority Collateral (the “**WUMI Priority Collateral**”, and collectively with the Noble

Execution Version

Priority Collateral, the “**Collateral**”), in favor of any Lien that WUMI now has or hereafter acquires in the WUMI Priority Collateral. The WUMI Obligations shall at all times be senior and prior to the Noble Obligations in right to receive cash payment from or with respect to the WUMI Priority Collateral and sale or proceeds thereof, and Noble’s Liens in the WUMI Priority Collateral, regardless of the time or order of creation, grant, attachment, or perfection and notwithstanding any provision of the Uniform Commercial Code of any jurisdiction, or any other applicable law or the Loan Agreements or any defect or deficiencies in, or failure to perfect any such Liens or any other circumstance whatsoever (including any non-perfection of any Lien purporting to secure the Noble Obligations and/or the WUMI Obligations).

2.3. **Agreement Priorities Control.** The priority set forth in this Section 2 shall apply regardless of the time or order of attachment or perfection of the respective interests of Noble and WUMI to the relevant Collateral, the time of sequence in which any financing statements, mortgages, deeds of trust or similar perfection filings or documents are or were filed or the time of giving or failure to give notice of the acquisition of purchase money or other security interests.

3. **Payments; Other Agreements and Restrictions.** Each of the Parties agrees that:

3.1. Prior to taking any Enforcement Action, each Party shall provide the other Party with at least three business days’ prior notice and the Parties agree to consult in good faith and in a timely manner with each other with respect thereto.

3.2. Nothing contained herein shall be construed as restricting the right of any Party to take any Unrestricted Enforcement Action or otherwise deal with its Loan Agreement in a manner that does not constitute an Enforcement Action.

3.3. The Noble Priority Collateral listed as item number 3 on the attached Exhibit A includes the Borrower’s interest and rights in the Copper Ranch and Niagra Hills deposits as further described therein (the “Deposits”). WUMI Priority Collateral includes the identical collateral, resulting in WUMI and Nobel, combined, both having a secured interest in all of the Deposits. Nobel and WUMI agree that any Enforcement Action by a Party with respect to the Deposits shall be as an agent for, and on behalf of the other Party and proceeds of the Deposits shall be shared equally as described further under item 3 of the attached Exhibit A

4. **Representations of the Parties.** Each Party hereby warrants to the other that: (a) except in connection with the Loan Agreements and the Skye Loan Agreement, it has neither given nor executed any prior subordination, security agreement, or assignment which is presently effective with respect to any of Collateral; (b) there are no other debts or loan amounts owing from Borrower to such Party except as provided under the Loan Agreements and that such Party will not enter into any other loans with Borrower unless such loan is subject to this Agreement; (c) the execution, delivery, and performance by such Party of this Agreement and the

Execution Version

consummation of the transactions contemplated hereby do not contravene any law or any contractual restriction binding on or affecting such Party; (d) no authorization or approval or other action by, and no notice to or filing with, any governmental authority or regulatory body is required for the due execution, delivery and performance by such Party of this Agreement; (e) such Party has duly executed and delivered this Agreement; (f) this Agreement is the legal, valid, and binding obligation of such Party, enforceable against such Party in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, or similar laws affecting such Party's rights or insolvent corporations, generally; and (e) there is no pending or, to the best of its knowledge, threatened action or proceeding affecting such Party, or any basis therefor, which questions the validity, binding effect or enforceability hereof, any action taken or to be taken pursuant hereto, or any of the transactions contemplated hereby. Each Party further agrees that it shall not assign or otherwise transfer any of his right, title and interest in its Loan, without the prior written consent of the other Party; provided that no consent shall be required in the event the assignee or transferee of the Loan agrees in writing to be bound by the terms hereof.

5. **Conversion of WUMI Loan.**

5.1. **Optional Conversion.** Notwithstanding any provision of this Agreement or in any Loan Documents (as defined in the Noble Loan Agreement), Noble agrees that WUMI shall continue have the right to convert the WUMI Obligations, in full but not in part, into equity of Skye Mineral Partners, LLC, a Delaware limited liability company ("Skye"), pursuant to the terms of the WUMI Loan Agreement and the Loan Conversion and Participation Rights Agreement referenced therein and part thereof, as amended, at any time and without notice to or consent from Noble, and that this Agreement shall not apply in any way to the equity interests issued upon such conversion; provided that the WUMI Obligations are extinguished and the Liens held by WUMI on the Collateral released.

5.2. **Mandatory Conversion.** In the event that the Project Completion Date (as defined in the Noble Loan Agreement) occurs or Noble loans the Borrower the Full Facility Amount pursuant to the Noble Loan Agreement, and there are no existing defaults under the Noble Loan Agreement or that occur in connection with lending the Full Facility Amount, WUMI hereby agrees to promptly (but in any event within 5 business days) convert the WUMI Obligations in full into the equity of Skye, pursuant to the terms of the WUMI Loan Agreement (and the parties agree that by the terms of the WUMI Loan Agreement and the Loan Conversion and Participation Rights Agreement referenced therein and part thereof, as amended WUMI shall then be entitled to so convert the WUMI Obligations). In connection with such conversion, the WUMI Obligations will be extinguished all Liens held by WUMI on Collateral shall be released.

6. **No Additional Commitment Regarding Noble Loan.** It is understood and agreed that this Agreement shall in no way be construed as any additional commitment or agreement by Noble to continue financing arrangements with the Borrower pursuant to the Noble Loan Agreement.

Execution Version

7. **No Contest.** Each Party agrees not to contest (or support any other Person in contesting), the validity, perfection, priority or enforceability of the other Party's Loan Agreement or its security interest in any of its Collateral, as specified hereunder or the provisions of this Agreement (including in any Creditor Proceeding). Each Party acknowledges and agrees that (a) neither Party shall have any duties or other obligations to the other Party with respect to any Collateral, other as herein specified, including to transfer to the other Party any proceeds of any such Collateral in accordance with the priority herein specified or duty or obligation first to marshal or realize upon any type of Collateral (or any other collateral securing the its obligations), or to sell, dispose of or otherwise liquidate all or any portion of such Collateral, in any manner that would maximize the return to the other Party, notwithstanding that the order and timing of any such realization, sale, disposition or liquidation may affect the amount of proceeds actually received from such realization, sale, disposition or liquidation, (b) it waives any claim it may now or hereafter have against the other Party (or its representatives) arising out of any actions which such Party takes or omits to take (including, actions with respect to the creation, perfection or continuation of Liens on any Collateral, actions with respect to the foreclosure upon, sale, release or depreciation of, or failure to realize upon, any of the Collateral and actions with respect to the collection of any claim for all or any part of the obligations of the Borrower from any account debtor, guarantor or any other party) or to the collection of the obligations of the Borrower or the valuation, use, protection or release of any security for the obligations of the Borrower and (c) that it will not take or cause to be taken any action the purpose or intent of which is, or could be, to interfere, hinder or delay, in any manner, whether by judicial proceedings or otherwise, any sale, transfer or other disposition of the Collateral by the other Party. The foregoing provisions of this section shall not be construed to prevent a Party from enforcing the terms of this Agreement against the other Party or release either Party from its obligations hereunder. For the avoidance of doubt, nothing herein shall limit Borrower or the ability of the managers or principals of Borrower (including those who serve as officers or managers of WUMI) to cause Borrower to enforce its rights and remedies under the Loan Agreements.

8. **Creditor Proceedings; Clawback.** Whether or not any Creditor Proceeding has been commenced by or against Borrower, any Collateral or proceeds thereof received by a Party (including by way of set off) in connection with any Enforcement Action in contravention of this Agreement (to the extent in excess of its entitlements hereunder) shall be segregated and held in trust and forthwith paid over to the other Party in the same form as received, with any necessary endorsements or as a court of competent jurisdiction may otherwise direct. If any payment or other proceeds of the Collateral received by any Party for its own account under this Agreement shall be required pursuant to applicable law to be repaid or returned, in whole or in part, by such Party to the payor thereof, or to any trustee, agent or other representative of such payor, or such payment shall have been otherwise rescinded, in whole or in part, pursuant to applicable law, the other Party that shall have received all or part of such payment or proceeds shall promptly, upon written demand by the first Party, acting on a direction, certificate, order or other demand occurring pursuant to applicable law, return to the first Party all or the ratable part, as the case may be, of the portion of such payment or proceeds so received by such other Party (and any interest thereon to the extent the same is required to be paid by the other Party originally receiving such payment or proceeds in respect of the return of such payment or proceeds) in order to equitably adjust for the return of all or part of such payment or proceeds. In addition, in

Execution Version

the event that any such payment is required to be returned or repaid or is otherwise rescinded, an amount of the Loan equal to the amount of such returned, repaid or rescinded payment shall be deemed to be reinstated and the Parties hereto shall be restored to their original position as if such payment had not been made.

9. **Miscellaneous.**

9.1. **Termination.** This Agreement shall terminate and be of no further force or effect upon the repayment in full, or full conversion to equity, of the Noble Obligations or WUMI Obligations.

9.2. **Further Assurances.** Each Party agrees, upon the other Party's reasonable request, to execute all such documents and instruments and take all such actions as such Party shall deem reasonably necessary or advisable in order to carry out the purposes of this Agreement (but this Agreement shall remain fully effective notwithstanding any failure to execute any additional documents or instruments).

9.3. **Rights and Remedies Cumulative.** All of each Party's rights and remedies hereunder and under applicable law are cumulative and not exclusive. If a Party, in violation of this Agreement, shall institute or participate in any suit, action or proceeding against Borrower, Borrower may interpose as a defense or dilatory plea this Agreement and each Party is irrevocably authorized to intervene and to interpose such defense or plea in such Party's or Borrower's name. If a Party attempts to enforce or realize upon any the Collateral in violation of this Agreement, Borrower or the affected Party (in Borrower's or such Party's name) may by virtue of this Agreement, restrain such realization or enforcement.

9.4. **Entire Agreement.** This Agreement sets forth in full the terms of agreement between the parties with respect to the subject matter hereof, and may not be modified or amended, nor may any rights hereunder be waived, except in a writing signed by the Parties.

9.5. **Successors and Assigns.** This Agreement shall be binding upon the successors and assigns of the Parties and Borrower and shall inure to the benefit of and be binding upon the successors and assigns of each Party.

Each party consents to the jurisdiction of courts located within New York, and agrees that the exclusive venue for all actions and proceedings relating directly or indirectly to this Agreement shall be within the courts of the State of New York, and each party waives any and all rights the party may have to object to the jurisdiction of any such court, or to transfer or change the venue of any such action or proceeding, including, without

Execution Version

limitation, any objection to venue or request for change in venue based on the doctrine of forum non conveniens.

Re: Reservation of Rights under Loan and Security Agreement

Ladies and Gentlemen:

We refer to the Loan and Security Agreement (as amended, the "Agreement") entered into as of August 12, 2014 by and between CS MINING LLC, a Delaware limited liability company (the "Company") and NOBLE AMERICAS CORP., a Delaware corporation (the "Lender"). Capitalized terms used but not defined in this letter have the meanings assigned to them in the Agreement.

We hereby notify you that the failure by the Company to pay interest in cash within seven (7) days of the date when due pursuant to Section 2.07 of the Agreement constitutes Events of Default under the Agreement.

The fact that the Lender has not, as of the date hereof, taken action to terminate its Commitment under the Agreement, to accelerate any Loans outstanding under the Agreement, or to exercise any other rights or remedies under the Agreement or any other Loan Document (including any right or remedy with respect to any collateral) does not constitute a waiver of the Event of Default described above or any other Event of Default or of any rights or remedies under the Agreement or any other Loan Document.

Further, as a consequence of and since the occurrence of the Event of Default described above or any other Event of Default (i) interest accruing in respect of the Obligations under the Agreement shall be calculated based on the Default Rate and (ii) we are entitled to sell or assign all or any portion of the Loans to one or more Eligible Assignees without the consent of the Company.

We may elect in our sole discretion to enter into discussions with the Company and/or any of its shareholders or third parties concerning our exposure under the Agreement, including the sale or assignment of the Loans. Any such discussions may or may not result in an agreement relating to the Company or the sale or assignment of

JOINT ANNOUNCEMENT

DISCLOSEABLE TRANSACTION

ACQUISITION OF SALE SHARE IN, AND SHAREHOLDER'S LOAN OF, WATERLOO STREET LIMITED

The respective Boards of Lippo and LCR wish to inform their shareholders that on 1 January 2016 (Hong Kong time), the Buyer (an indirect wholly-owned subsidiary of LCR, which in turn is an approximate 71.24% indirect subsidiary of Lippo) entered into the Sale and Purchase Agreement with the Seller pursuant to which the Seller agreed to sell, and the Buyer agreed to purchase, the Sale Share, representing the entire issued share capital of the Target Company, and the Seller also agreed to assign, and the Buyer agreed to acquire, all the rights, benefits and interests of the Shareholder's Loan. Completion took place immediately after the signing of the Sale and Purchase Agreement.

Since one or more of the applicable percentage ratios in respect of the Acquisition exceeds 5% but is less than 25%, the Acquisition constitutes a discloseable transaction for each of Lippo and LCR under Chapter 14 of the Listing Rules and is subject to the reporting and announcement requirements as set out in Chapter 14 of the Listing Rules. The Acquisition, when aggregated with the investments made by the LCR Group in the Project Company subsequent to the acquisition referred to in the joint announcement of Lippo and LCR dated 28 February 2012, shall continue to constitute a discloseable transaction for each of Lippo and LCR.

INTRODUCTION

The respective Boards of Lippo and LCR wish to inform their shareholders that on 1 January 2016 (Hong Kong time), the Buyer (an indirect wholly-owned subsidiary of LCR which in turn is an approximate 71.24% indirect subsidiary of Lippo) entered into the Sale and Purchase Agreement with the Seller pursuant to which the Seller agreed to sell, and the Buyer agreed to purchase, the Sale Share, representing the entire issued share capital of the Target Company, and the Seller also agreed to assign, and the Buyer agreed to acquire, all the rights, benefits and

interests of the Shareholder's Loan. Completion took place immediately after the signing of the Sale and Purchase Agreement.

PRINCIPAL TERMS OF THE SALE AND PURCHASE AGREEMENT

A summary of certain material terms of the Sale and Purchase Agreement is as follows:

- Parties:
1. Sincere Wish Global Limited, as the Buyer; and
 2. Malimbu Limited, as the Seller.
- Transaction:
- The Seller sold, and the Buyer acquired, the Sale Share, representing the entire issued share capital of the Target Company, and the Shareholder's Loan pursuant to the Sale and Purchase Agreement.
- Consideration:
- The Consideration amounted to US\$22,990,266 (equivalent to approximately HK\$178.2 million) and was payable in cash.
- The Consideration was determined after arms' length negotiations between the Buyer and the Seller by reference to the value of the Loans owned by the Target Company.

INFORMATION ON THE TARGET COMPANY

The Target Company is a company incorporated in the British Virgin Islands and its principal business activity is investment holding. Its sole investments are the Loans to the Borrower, which is a majority owned subsidiary of the Project Company.

As at the date of this announcement, the total amount owed by Borrower under the Loans amounted to approximately US\$33.15 million (equivalent to approximately HK\$257 million), representing the aggregate principal amount of US\$29.75 million (equivalent to approximately HK\$230.6 million) together with accrued interest of approximately US\$3.4 million (equivalent to approximately HK\$26.4 million). Interest on the Loans accrues at a rate based on US\$ LIBOR plus a margin varying from 6% to 10% and the Loans are secured by, inter alia, certain properties and assets and mining deposits owned by the Borrower. The Loans are repayable by monthly instalments. The final maturity date will be 30 October 2019.

REASONS FOR AND BENEFITS OF THE ACQUISITION

The LCR Group has been investing indirectly in the Project Company since 2011. Through the Borrower, the Project Company owns and controls a number of copper ore deposits located in the United States. The Borrower is engaged in the business of mining and processing primarily copper ore. From all the drilling and geology work that has been done to date, it is believed that the Project Company has good mining deposits.

The acquisition of the Target Company which owns the Loans represents further investment into the Project Company. Such investments generally are not without risks, including the risk that the Borrower may not meet its repayment obligations on the Loans, or otherwise default on its obligations under the relevant loan agreements. As far as the LCR Group is aware, the Borrower is currently in default under the existing loan agreements; however, the defaults were caused in part by a delay in completion of the Borrower's new leach processing facility, which

was originally scheduled for completion by November 2015, but is now anticipated to be completed in January 2016. Nonetheless, there will remain a continuing risk that Borrower may not be able to meet its payment obligations in the future, for reasons that may include: difficulty in raising additional equity capital if and when needed; further delays in completion of the Borrower's leach processing facility or any failure of such facility to perform as expected once completed; a further decline in the market price of commodities including copper; an increase in the Borrower's operating costs; or a decline in the quality of the copper ore produced by the Borrower's mining operations.

Despite these possible risks, the Boards of each of Lippo and LCR consider that, on balance, the Acquisition is beneficial to the Lippo Group and the LCR Group, as the Acquisition allows the Buyer to purchase the Target Company at a consideration representing a substantial discount to the face value of the Loans. In addition, the Loans are secured by, *inter alia*, certain properties and assets and mining deposits owned by the Borrower which will reduce the risks associated with the Acquisition. The Boards of Lippo and LCR understand that the Borrower has good copper deposits based on the prevailing market prices, which is an important factor when deciding on further investments in the Project Company. The new leach processing facility, once completed, is expected to greatly improve the efficiency of copper processing and increase production yields, thereby enhancing the performance of the business.

The Boards of each of Lippo and LCR believe that the Acquisition provides an opportunity for Lippo Group and LCR Group to increase its participation in the Project Company and potentially enhance expected investment returns with only a modest increase in risk. The respective Boards of Lippo and LCR believe that the terms of the Acquisition are fair and reasonable and in the interest of the shareholders of each of Lippo and LCR as a whole.

INFORMATION ON LIPPO, LCR AND THE BUYER

LCR is an approximate 71.24% indirect subsidiary of Lippo. The principal business activity of LCR is investment holding. The principal activities of the subsidiaries, associates, joint ventures and joint operations of LCR include investment holding, property investment, property development, food business, property management, mineral exploration, extraction and processing, securities investment, treasury investment and money lending.

The principal business activity of Lippo is investment holding. The principal business activities of the subsidiaries, associates, joint ventures and joint operations of Lippo are investment holding, property investment, property development, hotel operation, food business, property management, project management, mineral exploration, extraction and processing, fund management, underwriting, corporate finance, securities broking, securities investment, treasury investment, money lending, banking and other related financial services.

The principal business activity of the Buyer is investment holding.

INFORMATION ON THE SELLER

To the best knowledge of the Boards of Lippo and LCR, the principal business activity of the Seller is investment holding.

To the best of the knowledge, information and belief of the respective Boards of Lippo and LCR having made all reasonable enquiries, the Seller and its ultimate beneficial owners are independent of each of Lippo and LCR and their respective connected persons.

LISTING RULES IMPLICATIONS

Since one or more of the applicable percentage ratios in respect of the Acquisition exceeds 5% but is less than 25%, the Acquisition constitutes a discloseable transaction for each of Lippo and LCR under Chapter 14 of the Listing Rules and is subject to the reporting and announcement requirements as set out in Chapter 14 of the Listing Rules. The Acquisition, when aggregated with the previous investments made by the LCR Group in the Project Company subsequent to the acquisition referred to in the joint announcement of Lippo and LCR dated 28 February 2012, shall continue to constitute a discloseable transaction for each of Lippo and LCR.

Re.: Assignment of Loan and Security Agreement; Reservation of Rights

Ladies and Gentlemen:

We refer to the Loan and Security Agreement dated August 12, 2014, as amended (the "Loan Agreement"), originally entered into by CS Mining, LLC, a Delaware limited liability company ("Borrower") and Noble Americas Corp., a Delaware corporation (the "Original Lender"). Capitalized terms used but not defined in this letter have the meanings assigned to them in the Loan Agreement.

As you are aware, pursuant to the Notice of Assignment from Original Lender dated December 31, 2015, Original Lender sold and assigned all of Original Lenders' interest in, and all Original Lender's rights and obligations under, the Loan Agreement and the other Loan Documents (other than the Warrant) effective as of December 31, 2015, to Waterloo Street Limited, a British Virgin Islands limited company ("New Lender").

Accordingly, and until further written notice by New Lender:

1. All notices and correspondence pursuant to or relating to the Loan Agreement and other Loan Documents should hereafter be addressed to New Lender as follows:

Waterloo Street Limited
c/o Rooms 2302 and 2303,
23rd Floor, Tower One
Lippo Centre, 89 Queensway,
Hong Kong
Fax: (852) 25229842
Email: alexau@lippo-hongkong.com/davylee@lippo-hongkong.com

2. The "Lending Office" (as such term is used in the Loan Agreement) shall hereafter be the offices of new Lender at the address set forth in paragraph 1 above. All payments in respect of the Loans shall be made to the bank account of New Lender to be notified to you in due course.

3. By separate letter, you will receive the original Note evidencing Loans outstanding under the Loan Agreement with an aggregate principal amount of \$29,750,000, together with a Notice of Assignment of such Note. Upon receipt, please promptly reissue the Note in the name of the New Lender, and send the new Note to New Lender at the address set forth above by recognized international courier.

Furthermore, this letter will serve as notice that one or more Events of Default have occurred and are continuing, as Borrower was previously notified by Original Lender in its letters of November 10, 2015 and December 30, 2015. The fact that Original Lender and New Lender have not, as of the date hereof, taken action to accelerate the Loans outstanding under the Loan Agreement, or to exercise any of their other rights and remedies under the Loan Documents and under applicable law (including any rights and remedies with respect to any collateral), does not constitute a waiver of any such Event of Default, or a waiver, deferral or forbearance of any such rights and remedies of New Lender under the Loan Documents or under applicable law. All such rights and remedies are expressly reserved.

In addition, as a result of the occurrence and continuance of the Events of Default, please be aware that interest on the Loans continues to accrue under the Agreement based on the Default Rate.

Very truly yours,

Re: Demand for Conversion of CS Mining, LLC Loan

Gentlemen:

Our firm represents Waterloo Street Limited, a British Virgin Islands limited company ("Lender").

We refer to the Intercreditor Agreement dated August 12, 2014 (the "Intercreditor Agreement") by and among CS Mining, LLC ("CS"), David J. Richards, LLC, dba Western US Mineral Investors, LLC ("WUMI") and Noble Americas Corp. ("Noble"). Capitalized terms used and not otherwise defined in this letter have the meanings assigned to them in the Intercreditor Agreement.

As you are aware pursuant to the Notice of Assignment dated December 31, 2015 to you from Noble, Noble transferred and assigned all of its rights and title in and pursuant to the Intercreditor Agreement to Lender effective as of December 31, 2015.

On behalf of Lender, we demand that WUMI immediately (and in any event by no later than Monday, January 18, 2016) convert the WUMI Obligations in full into equity of Skye Mineral Partners, LLC, pursuant to the terms Loan and Security Agreement dated as of August 10, 2012 between CS and WUMI, as amended, and the terms of the Conversion and Participation Rights Agreement dated January 28, 2014 among CS, WUMI and the other parties thereto, as amended (the "Loan Conversion").

The Loan Conversion is required to be completed pursuant to Section 5.2 of the Intercreditor Agreement when Noble loans CS \$30 million. This condition was satisfied as of July 8, 2015, when CS had drawn down all but \$250,000 of the available facility – a trivial amount withheld at your direction, in an apparent attempt to circumvent your obligations to convert under the Intercreditor Agreement.

Moreover, the balance outstanding under the Loan Agreement – even excluding permitted Capitalized Interest – is now well over \$30,000,000, as a result of CS' failure to make all required loan payments on the facility since November 2015.

To reiterate, this letter serves as notice to WUMI of breach of Section 5.2 of the Intercreditor Agreement. We demand that the breach be cured immediately. All rights and remedies are reserved on behalf of our clients.

Re: Reservation of Rights under Loan and Security Agreement and Intercreditor Agreement

Ladies and Gentlemen:

We refer to the following agreements:

1. Loan and Security Agreement (as amended, the "Loan Agreement") entered into as of August 10, 2012 by and between CS MINING LLC, a Delaware limited liability company (the "Company") and DAVID J. RICHARDS, LLC, an Ohio limited liability company d/b/a WESTERN US MINERAL INVESTORS, LLC (the "Lender").
2. Loan and Security Agreement (as amended, the "Noble Loan Agreement") entered into as of August 12, 2014 by and between CS MINING LLC, a Delaware limited liability company (the "Company") and NOBLE AMERICAS CORP., a Delaware corporation ("Noble").
3. Intercreditor Agreement (the "Intercreditor Agreement") between the Lender and Noble dated August 12, 2014.

Capitalized terms used but not defined in this letter have the meanings assigned to them in the referenced or applicable agreement.

Existing Defaults

We hereby notify you that:

1. The failure by the Company to pay amortizing payments when due pursuant to the Loan Agreement, commencing on January 1, 2016 pursuant to the Loan Agreement, as amended, constitutes an Event of Default as defined in the Loan Agreement pursuant to Section 7.1(b) thereof;

2. The failure by the Company to satisfy the Financial Covenants of the Loan Agreement as specified in Section 5.1 thereof and Section 5 of Schedule 1 thereof, constitutes an Event of Default as defined in the Loan Agreement pursuant to Section 7.1(d) thereof;

3. As you know, and noted and referenced, letters from Noble to the Company dated November 10, 2015 and December 30, 2015, the letter from Waterloo to the Company dated January 7, 2016, the Company is in default pursuant to the Noble Loan Agreement, and the Lippo China Resource Limited press release dated January 3, 2016 found at http://www.lcr.com.hk/file/announcement/eng/E_Ann_20160103.pdf, the Company is in default pursuant to the Noble Loan Agreement. This default under the Noble Loan Agreement also constitutes a default pursuant to the Loan Agreement pursuant to Sections 3.2.7, 7.1(d) and 7.1(n) thereof.

4. As you know, the foregoing matters also constitute a Cross Default under the Noble Loan Agreement pursuant to Section 8.01(e) thereof, and the Company is also in default pursuant to the Noble Loan Agreement on this basis.

The fact that the Lender has not, as of the date hereof, taken action to accelerate any Loans outstanding under the Agreement, or to exercise any other rights or remedies under the Agreement or any other Loan Document (including any right or remedy with respect to any collateral) does not constitute a waiver of the Event of Default described above or any other Event of Default or of any rights or remedies under the Agreement or any other Loan Document.

Further, as a consequence of and since the occurrence of the Event of Default described above or any other Event of Default interest accruing in respect of the Obligations under the Agreement shall be calculated based on the Default Rate, among other matters specified in the Loan Agreement.

We may elect in our sole discretion to enter into discussions with the Company and/or any third parties concerning our exposure under the Agreement and what may be required to protect our interests thereunder. Any such discussions may or may not result in an agreement or accommodation relating to the Company, and will be continued only for so long as we, in our sole discretion elect, but in no event do any such discussions or actions constitute a waiver of the Event of Defaults described above or any other Event of Default or a waiver or deferral or forbearance of any rights or remedies under the Loan Agreement or any other Loan Document, all of which are hereby expressly reserved.

Mandatory Conversion Pursuant to Intercreditor Agreement

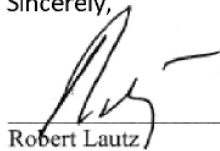

We direct you to Section 5.2 of the Intercreditor Agreement:

“5.2 Mandatory Conversion. In the event that the Project Completion Date (as defined in the Noble Loan Agreement) occurs or Noble loans the Borrower the Full Facility Amount pursuant to the Noble Loan Agreement, **and there are no existing defaults under the Noble Loan Agreement** or that occur in connection with lending the Full Facility Amount, WUMI hereby agrees to promptly (but in any event within 5 business days) convert the WUMI Obligations in full into the equity of Skye, pursuant to the terms of the WUMI Loan Agreement (and the parties agree that by the terms of the WUMI Loan Agreement and the Loan Conversion and Participation Rights Agreement referenced therein and part thereof, as amended WUMI shall then be entitled to so convert the WUMI Obligations).”

As noted above, there are, and have been at all times relevant to any mandatory conversion requirement pursuant to the Intercreditor Agreement, multiple existing defaults pursuant to the Noble Loan Agreement. Thus, the Lender is not required to convert its Loans to the Company into the equity of Skye Mineral Partners, LLC at this time, or any time unless and until the foregoing defaults pursuant to the Noble Loan Agreement are fully cured.

We remain willing to meet and negotiate a resolution to the above matters with Waterloo, the Company, PacNet, and any other necessary parties that would mutually benefit them and their investments, but in no event should any such discussions or negotiations be construed as a waiver or affecting any of our rights and remedies.

Sincerely,

Robert Lautz

Re: Coordination of Secured Creditors

Sanjiv and Marshall:

As you are aware, CS Mining LLC ("CS") defaulted on its payments to DAVID J. RICHARDS, LLC, an Ohio limited liability company d/b/a WESTERN US MINERAL INVESTORS, LLC ("WUMI") and has been in violation of financial covenants specified in Section 5 of Schedule #1 within the WUMI loan and security agreement. A reservation of rights letter was sent to CS on January 15, 2016.

We think it is in the interests of the secured creditors to work out a plan in partnership. The Intercreditor Agreement by and among WUMI, CS and Noble Americas Corp. ("Noble") dated August 12, 2014 requires that we consult with you and provide a three business day notice period prior to taking any enforcement action.

Although you have indicated that you believe the WUMI debt should be converted, we disagree. The Intercreditor Agreement provides that the WUMI debt facility need not be converted as long as there is a default on the Noble debt facility even if project production requirements are met. This is a protective provision for WUMI to prevent it from having to convert when CS is unable to meet its commitments. Therefore, Waterloo Street Limited as successor to Noble, is prohibited from attempting to force such a conversion when both secured creditors have defaulted loans.

As you know, and noted and referenced by Noble in letters to the Company dated November 10, 2015 and December 30, 2015, and a press release dated January 7, 2016, the Company is in default pursuant to the Noble Loan Agreement. This default under the Noble Loan Agreement also constitutes a default pursuant to Sections 3.2.7, 7.1(d) and

STCL.130.605439.1

7.1(n) of the Loan Agreement between CS and WUMI. This presumably constitutes a cross default under the Noble Loan Agreement.

Contact me at your earliest convenience to discuss how best to proceed to protect all of the parties involved.

Sincerely,

DECLARATION OF ROBERT LAUTZ

Robert Lautz, upon oath, declares and states as follows:

1. I am a manager of David J. Richards, LLC, d/b/a Western U.S. Minerals Investors (“WUMI”).
2. I am familiar with the Loan and Security Agreement between WUMI and CS Mining, LLC, dated August 10, 2012, and the various amendments to that loan agreement (collectively, the “WUMI Loan Agreement”).

5. CS Mining did not provide notice to WUMI or seek WUMI’s approval prior to drawing down that final installment on the Waterloo loan.
6. I testify under oath and under penalty of perjury that the foregoing is true and correct to the best of my information and knowledge.

Corporation; WATERLOO STREET

Defendants.

Bankruptcy Case No. 16-24818

(Chapter 11)

Judge William T. Thurman

Adv. Pro. No.: 17-02025

**NOBLE AMERICAS CORP.'S RESPONSES TO WUMI'S 4/7/17 REQUESTS FOR
ADMISSION AND INTERROGATORIES**

Defendant, Noble Americas Corp. (“Noble”), by and through its counsel of record, hereby responds to David J. Richards, LLC d/b/a Western US Mineral Investors, LLC (“WUMI”) Requests for Admission (“Requests”) and Interrogatories (“Interrogatories”) as follows:

GENERAL OBJECTIONS

1. Without waiving any of its rights, Noble objects to WUMI’s discovery requests given the April 25, 2017 Order Staying Claims by and Against Noble Americas Corp. Noble reserves all rights associated with the Order Staying Claims and the fact that Noble is providing responses to these discovery requests should not be viewed in any way as a waiver by Noble relating to the Order Staying Claims.

2. Noble objects to WUMI’s discovery requests to the extent that they seek information subject to the attorney-client work product or any other recognized privilege against disclosure. Noble further states that in responding to any request, it is not waiving, intentionally or otherwise, its attorney-client privilege, work product doctrine protections, or any other applicable privilege or doctrine protecting communications, transactions or, records from disclosure.

3. Noble objects to WUMI’s discovery requests to the extent that they seek information that is unreasonably cumulative, duplicative, or obtainable from some other source that is more convenient, less burdensome or less expensive.

4. Noble objects to WUMI's discovery requests to the extent that they seek information that is already known to WUMI or otherwise available to them from documents in their own files or from public records.

5. Noble objects to WUMI's discovery requests to the extent that they seek confidential business or proprietary information with no evidentiary significance.

6. Noble objects to WUMI's discovery requests which solicit information that is not relevant to the subject matter of this civil action and/or not likely to lead to the discovery of admissible evidence.

7. Noble objects to WUMI's discovery requests that are overly broad, vague and ambiguous, or unduly burdensome.

8. Noble objects to each and every definition, instruction and request to the extent that it purports to impose discovery obligations beyond those permitted by the Utah Rules of Civil Procedure.

9. To the extent Noble adopts any term or definition presented by WUMI, it is adopted solely for convenience in responding to these discovery requests, and Noble does not accept any terms or definitions or concede that any of them are appropriate, descriptive, or accurate.

10. Noble reserves the right to amend or supplement its responses as additional responsive information is located and produced, or otherwise as permitted by the Federal Rules of Civil Procedure and the Federal Rules of Bankruptcy Procedure.

11. The objections set forth above are incorporated into the responses below and shall be deemed continuing, even if not specifically referred to in the response.

REQUESTS FOR ADMISSION

1. You sent a letter to the Debtor dated November 10, 2015, in which you informed the Debtor that one or more Events of Default had occurred under the Noble/Waterloo Loan Agreement.

RESPONSE: Admit.

2. You sent a letter to the Debtor dated December 30, 2015, in which you informed the Debtor that one or more Events of Default had occurred under the Noble/Waterloo Loan Agreement.

RESPONSE: Admit.

3. As of December 30, 2015, one or more Events of Default had occurred under the Noble/Waterloo Loan Agreement.

RESPONSE: Admit.

4. The Tenth Amendment to the Loan Agreement is a valid contract.

RESPONSE: Noble objects to this Response as it calls for a legal conclusion. Without waiving this specific objection and the general objections outlined above, and despite its reasonable inquiry, the information it knows or can readily obtain is insufficient to enable it to admit or deny the Request. Noble therefore denies the same.

5. The Tenth Amendment to the Loan Agreement is enforceable by WUMI.

RESPONSE: Noble objects to this Response as it calls for a legal conclusion. Without waiving this specific objection and the general objections outlined above, and despite its reasonable inquiry, the information it knows or can readily obtain is insufficient to enable it to admit or deny the Request. Noble therefore denies the same.

6. You were aware of the Tenth Amendment to the Loan Agreement as of December 31, 2015.

RESPONSE: Deny.

INTERROGATORIES

1. If your response to any of the foregoing Requests for Admission is anything other than an unqualified admission, state the following for each Request for Admission not unconditionally admitted:

- (a) State all facts on which you base your qualification or denial.
- (b) Identify every person having knowledge of facts supporting or otherwise relating to your respond to subpart (a) of this Interrogatory and state the basis for such knowledge;
- (c) Identify with specificity all documents referring or relating in any way to your response to subparts (a) and (b) of this Interrogatory.

RESPONSE: Noble objects to this Interrogatory in that the responses to Requests 4 and 5 call for legal conclusions to which no response is necessary. Noble further objects to Requests 4, 5, and 6 as this Interrogatory seeks to have Noble prove a negative in that

Noble denies that it had any knowledge of the Tenth Amendment to the Loan Agreement prior to December 31, 2015. As a result, Noble is not aware of any facts, individuals, and/or documents or otherwise that would be responsive to Requests 4, 5, and 6.

1 Q. Thank you. 14:10

2 Go to Waterloo 4. This was previously
3 marked. Just for the record, the waiver you previously
4 testified was a waiver of default letter. And you said
5 that you were familiar with this document, is that 14:11
6 correct?

7 A. Um-hmm.

8 Q. And paragraph one talked about an
9 existing default. Is that accurate?

10 A. Um-hmm. Yes. 14:11

11 Q. So as of February 3, 2016, there was an
12 existing default in the Noble loan Noble Waterloo loan.

14:12

MS. SOTO: Same objections.

THE WITNESS: There was a default.

MR. COX: Okay.

Q. And this letter purports to waive that default as of February 3, 2016?

14:12

A. That's correct.

Q. And if you look at it, it only waives that default until March 1, 2016. Is that accurate?

A. Um-hmm.

14:12

Q. So after March 1, 2016...

A. Yes.

Q. ... those defaults... Is the loan in default now?

3 A. I'm not answering that.

4 Q. So I take that... So...

5 MS. SOTO: Just let me.

14:13

6 If you have no comment because the only
